Decisions

I cannot decide
The fate of my life,
I cannot accept
The cautions of man,
I have left my dreams
On the edge of the moon
And I grope at dawn
To understand.

Yet they taunt me
And haunt me
To choose and discard,
To play at the game, dignified;
I am young, I am eager
I want to try all,
And I cannot stop to decide.

The dilemma of decision has been encountered by both students and teachers. *Patches* 1966 is dedicated to a woman who has vigorously and conscientiously accepted the responsibility of decisions.

TO MRS. IRMA MARMOR

The staff of *Patches* 1966 has worked secretly to dedicate this publication to Mrs. Marmor. She epitomizes the theme of decisions throughout her career as a teacher of English. Her students and her yearbook staff have often requested her assistance in making decisions, and she has never failed them. She is constantly faced with decisions as a teacher, as advisor to *Patches*, and as coordinator of the Team Teaching Project. She continually strives to improve herself by taking in-service and graduate courses. She has shown her dedication to the teaching profession by accepting and training many student teachers. The students of Hewlett High School recognize Mrs. Marmor as a vibrant, enthusiastic person.

"The unexamined life is not worth living" . . .
Socrates

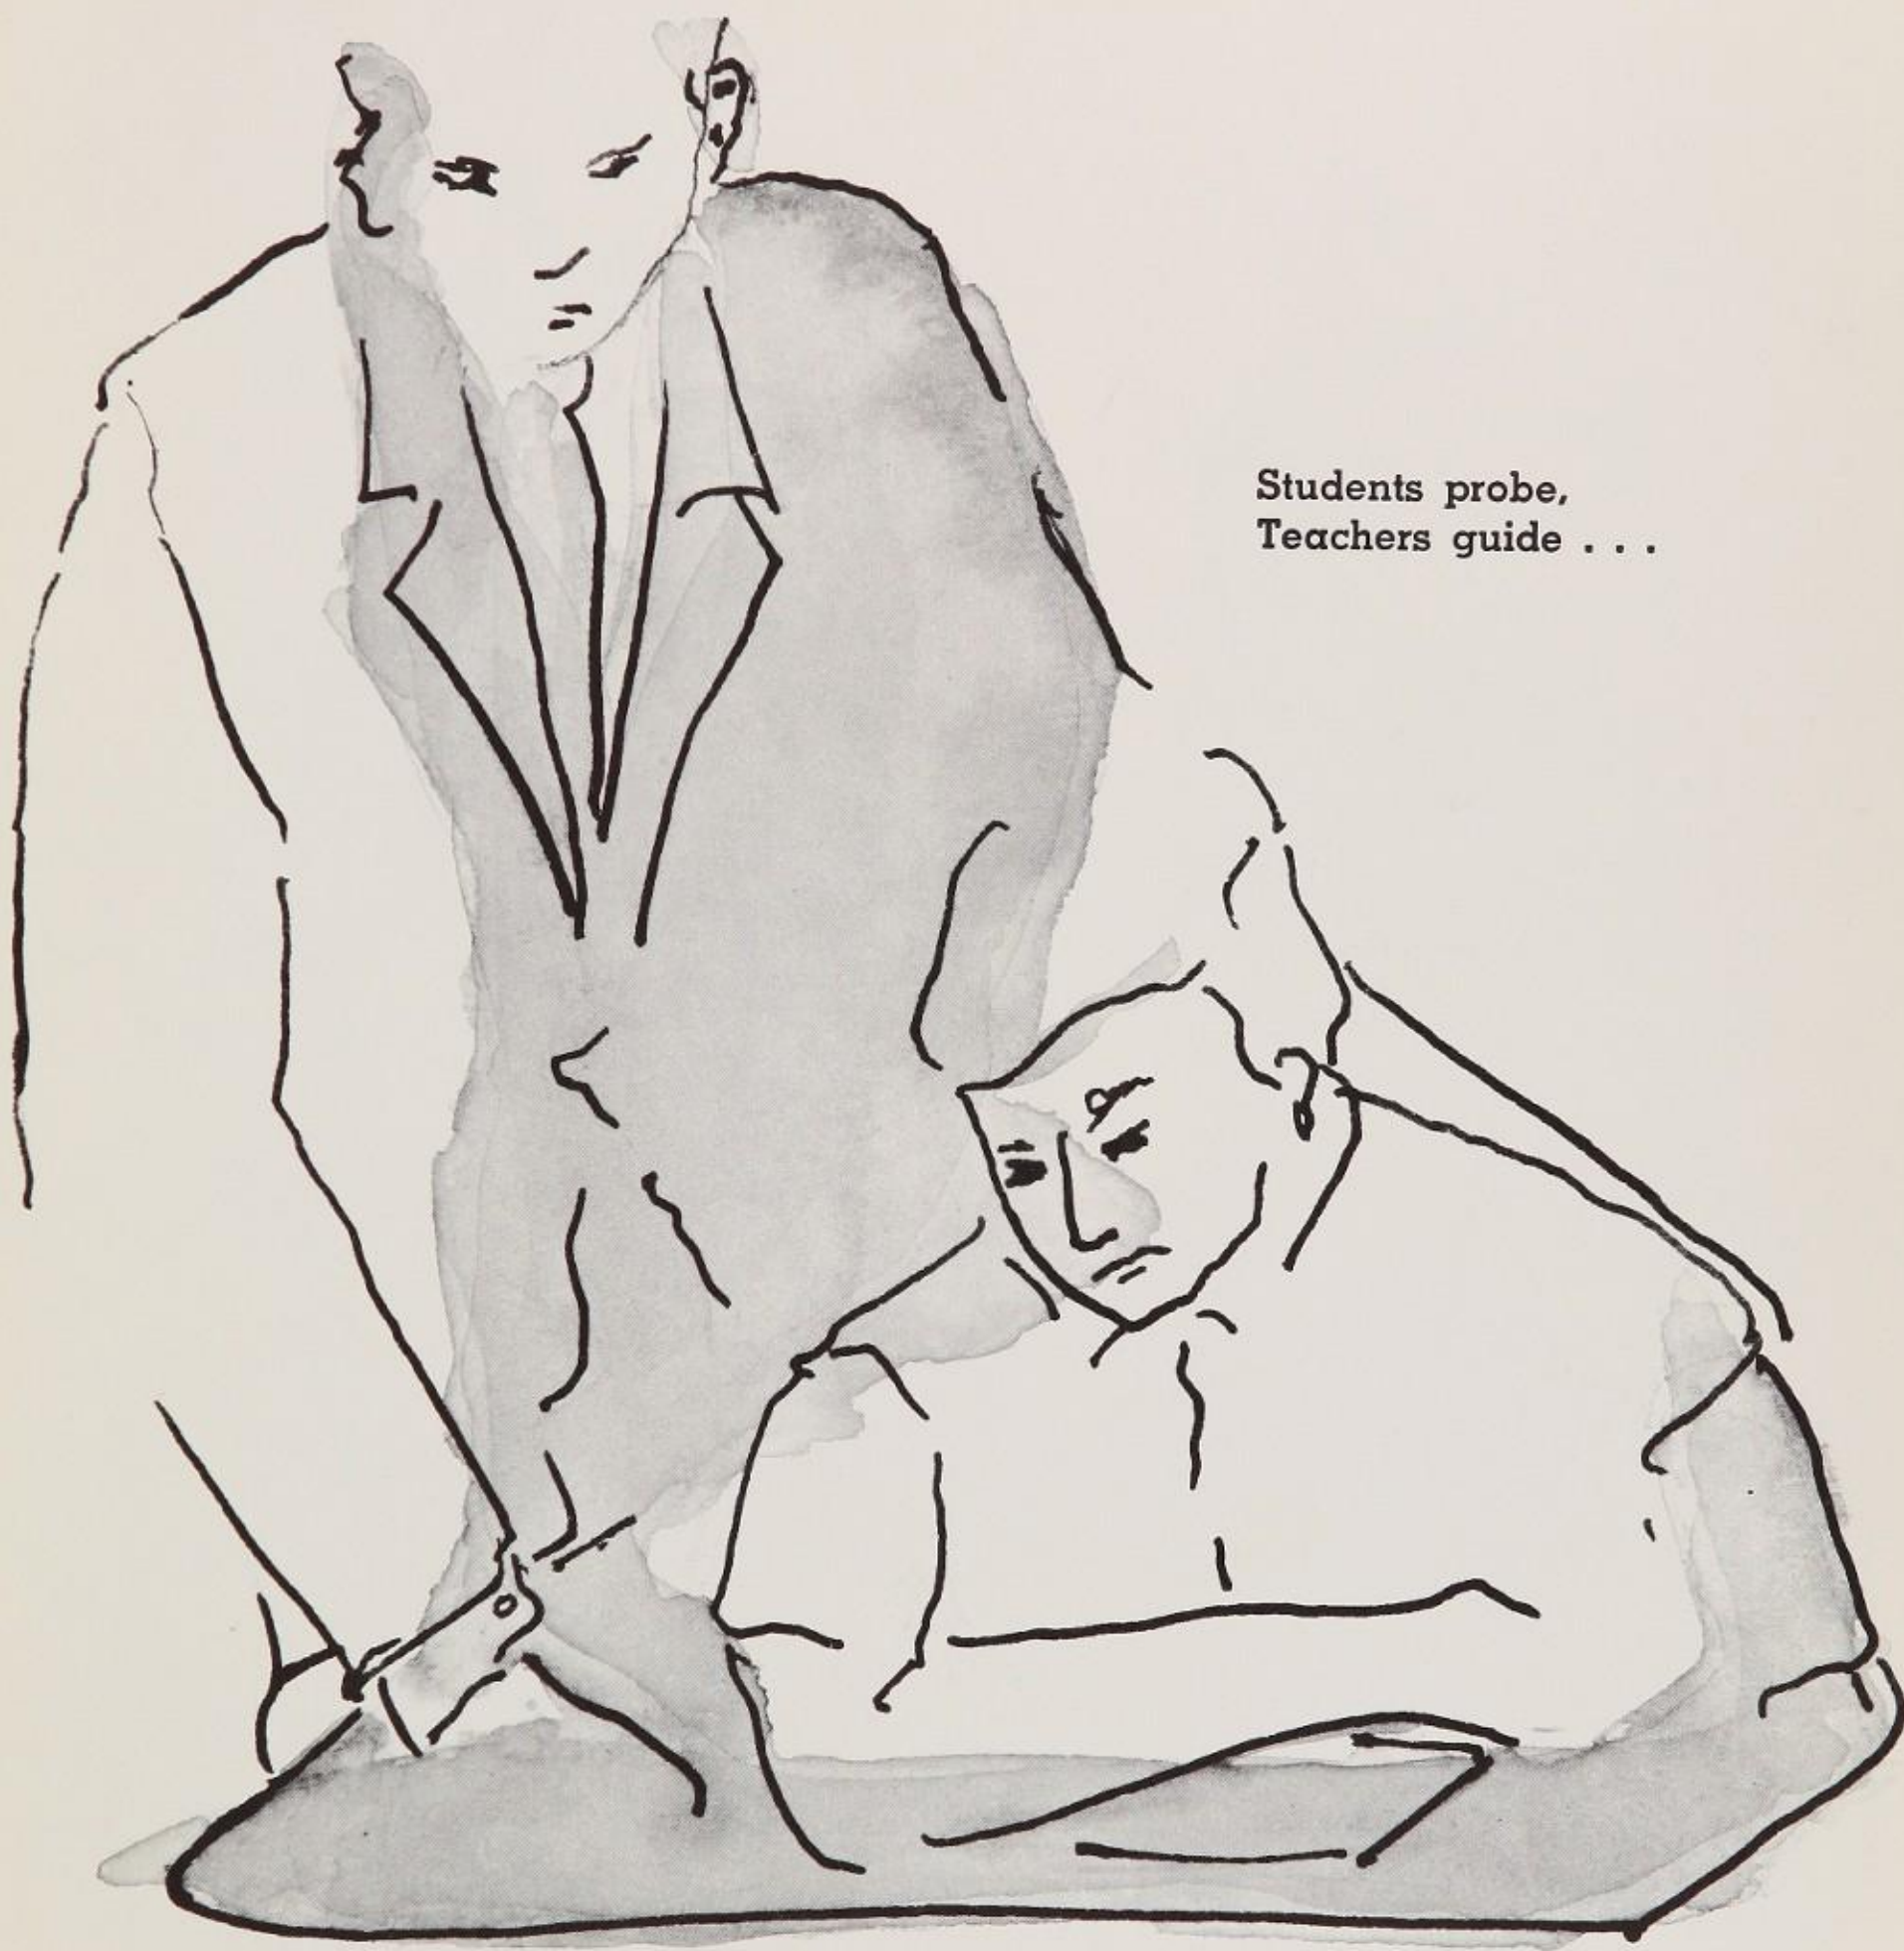

"To write is to give, to read is to receive."

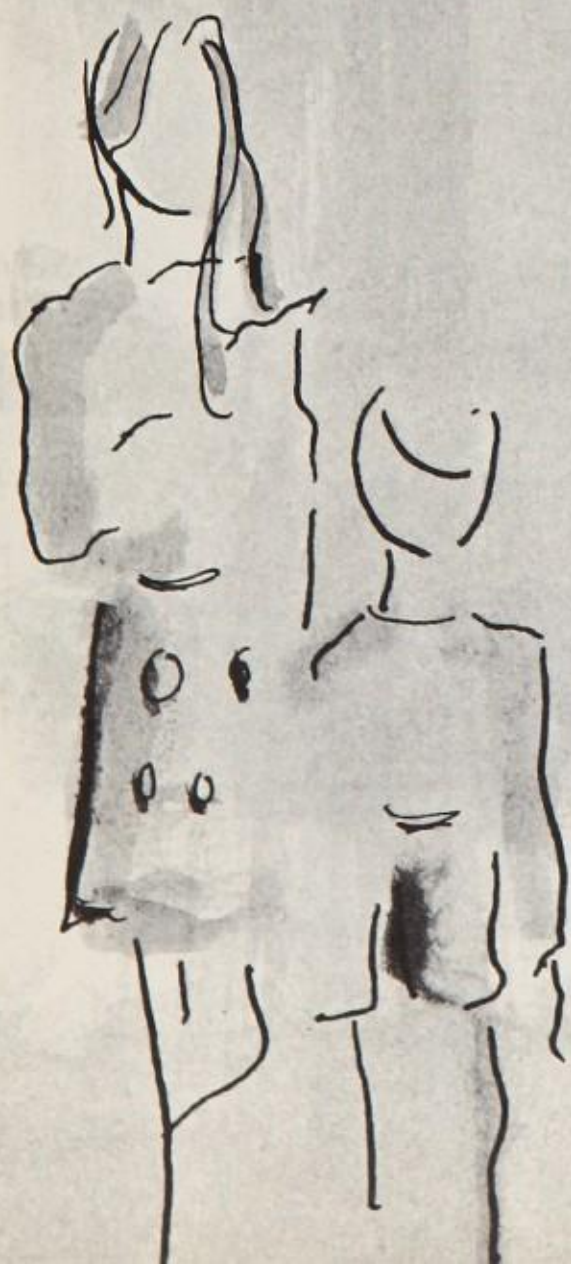

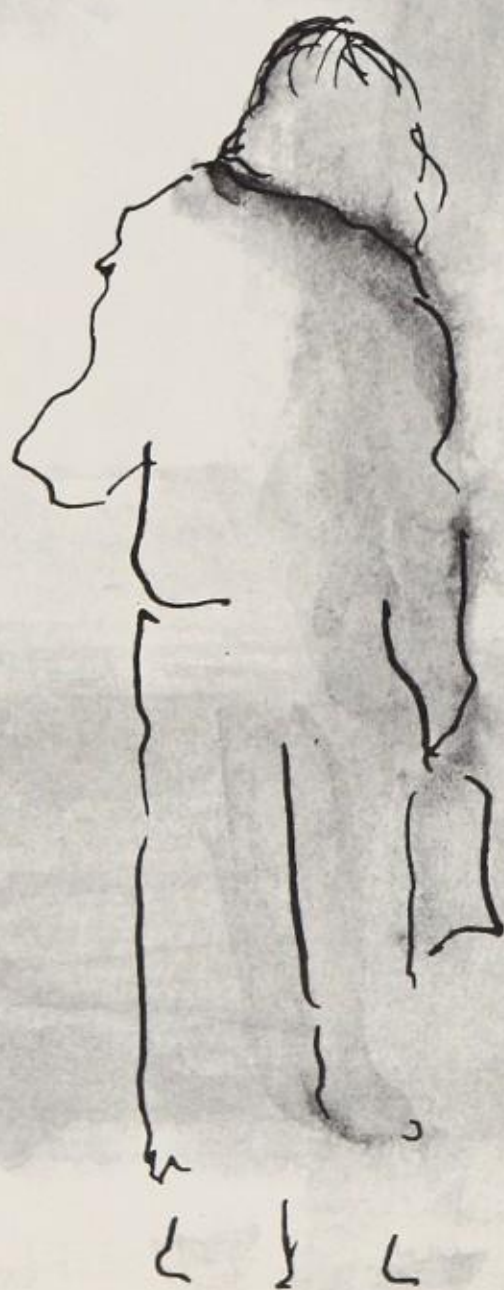

As coordinator of the Team Teaching Project, Mrs. Marmor makes a final judgment on the syllabus.

The petty decisions
Of daily living
Blossom, with age,
To greater heights . . .

Students probe,
Teachers guide . . .

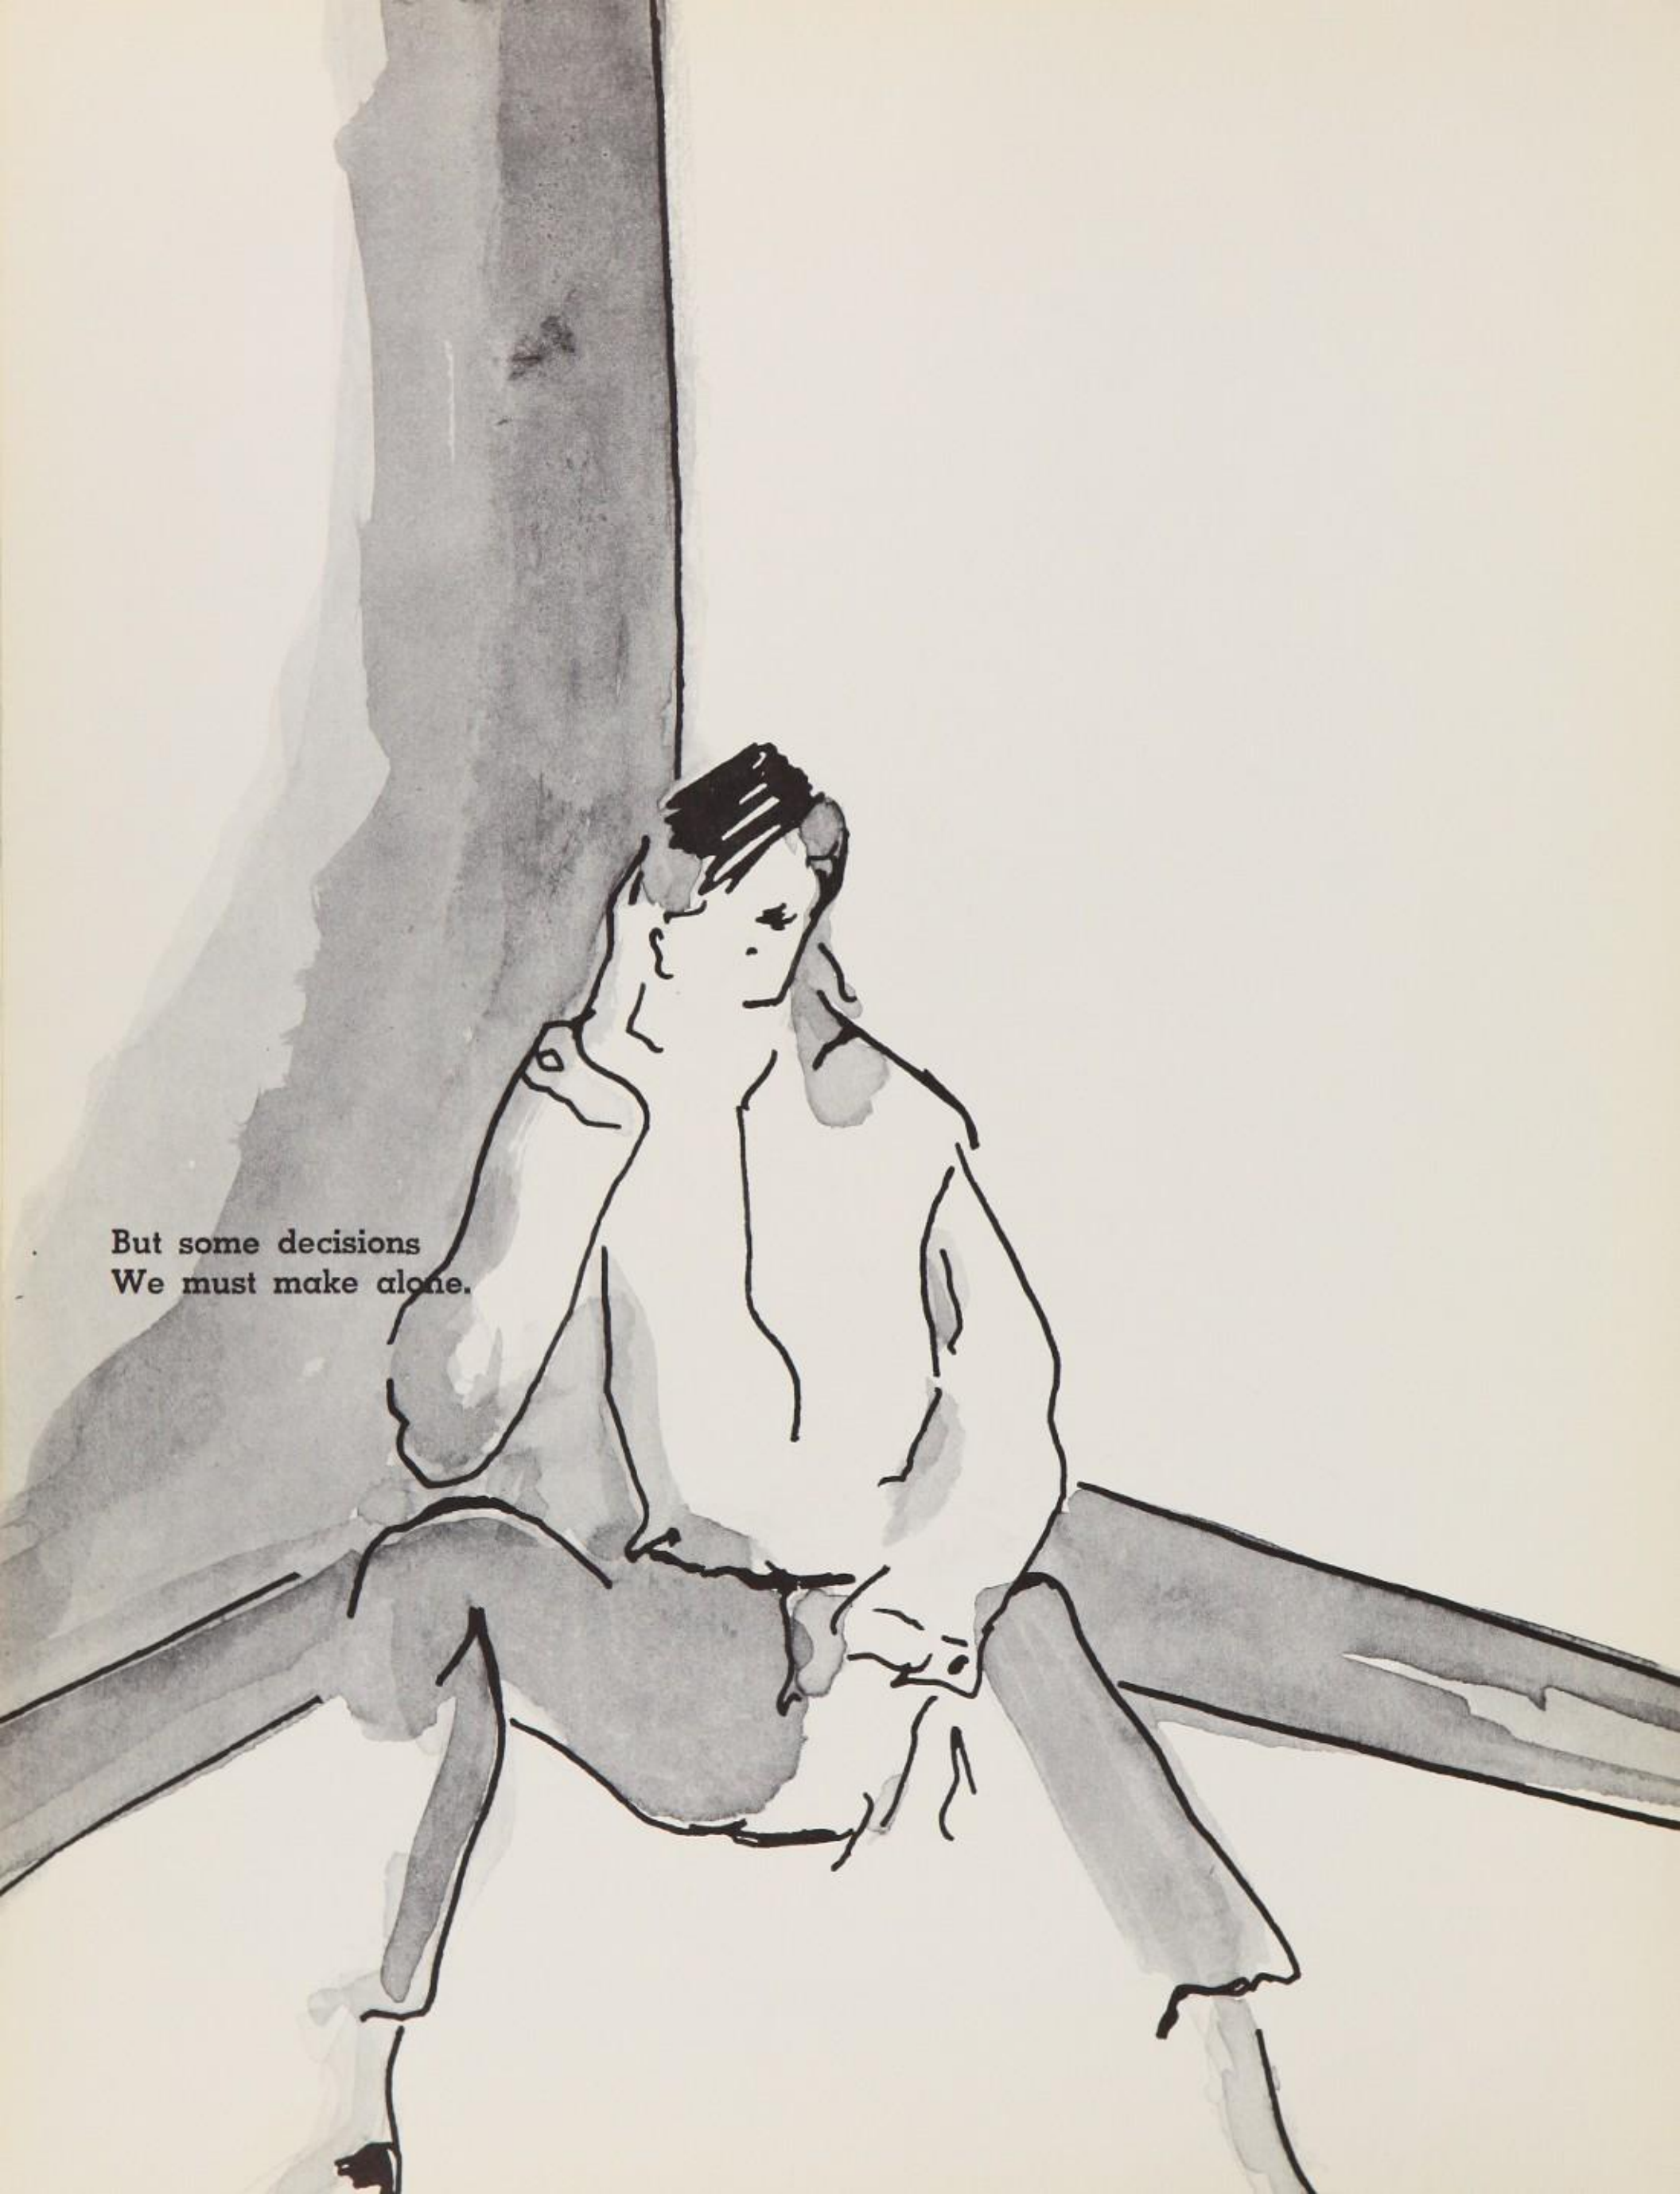

Future plans bubble,
Confusion inside . . .

We consult our friends
Discuss at home . . .

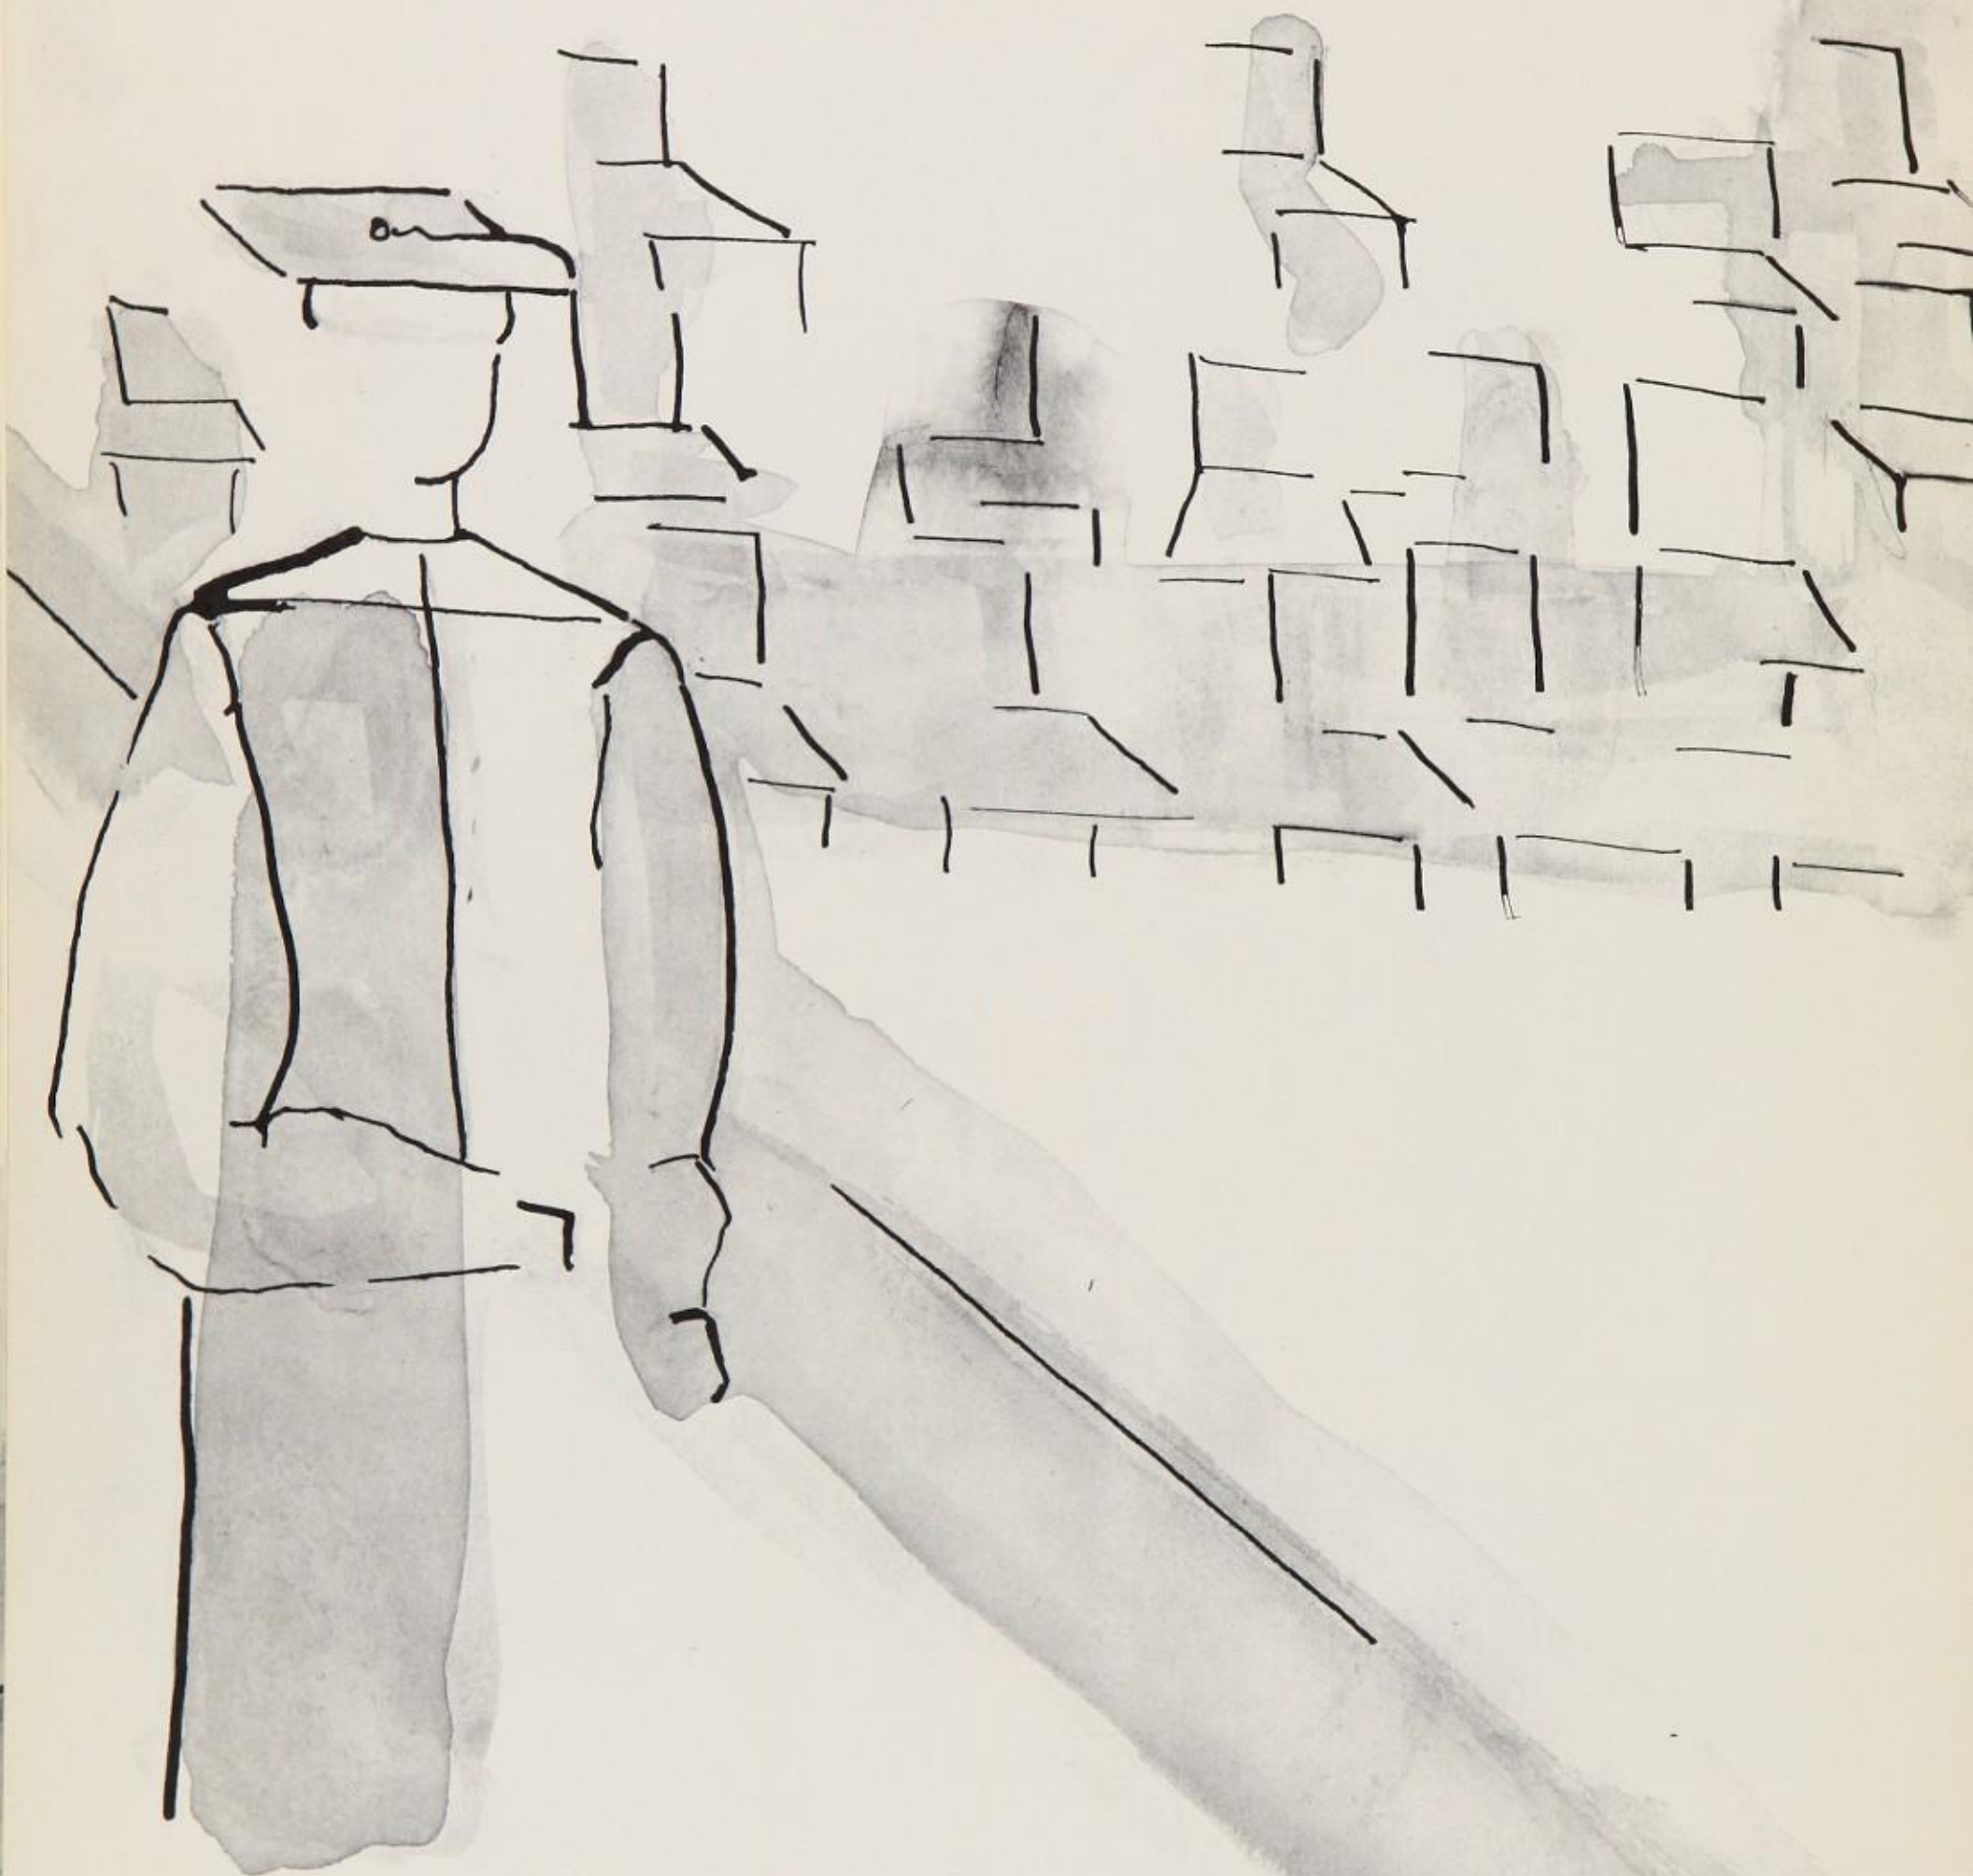

But some decisions
We must make alone.

We ponder and dream,
The seasons go by . . .

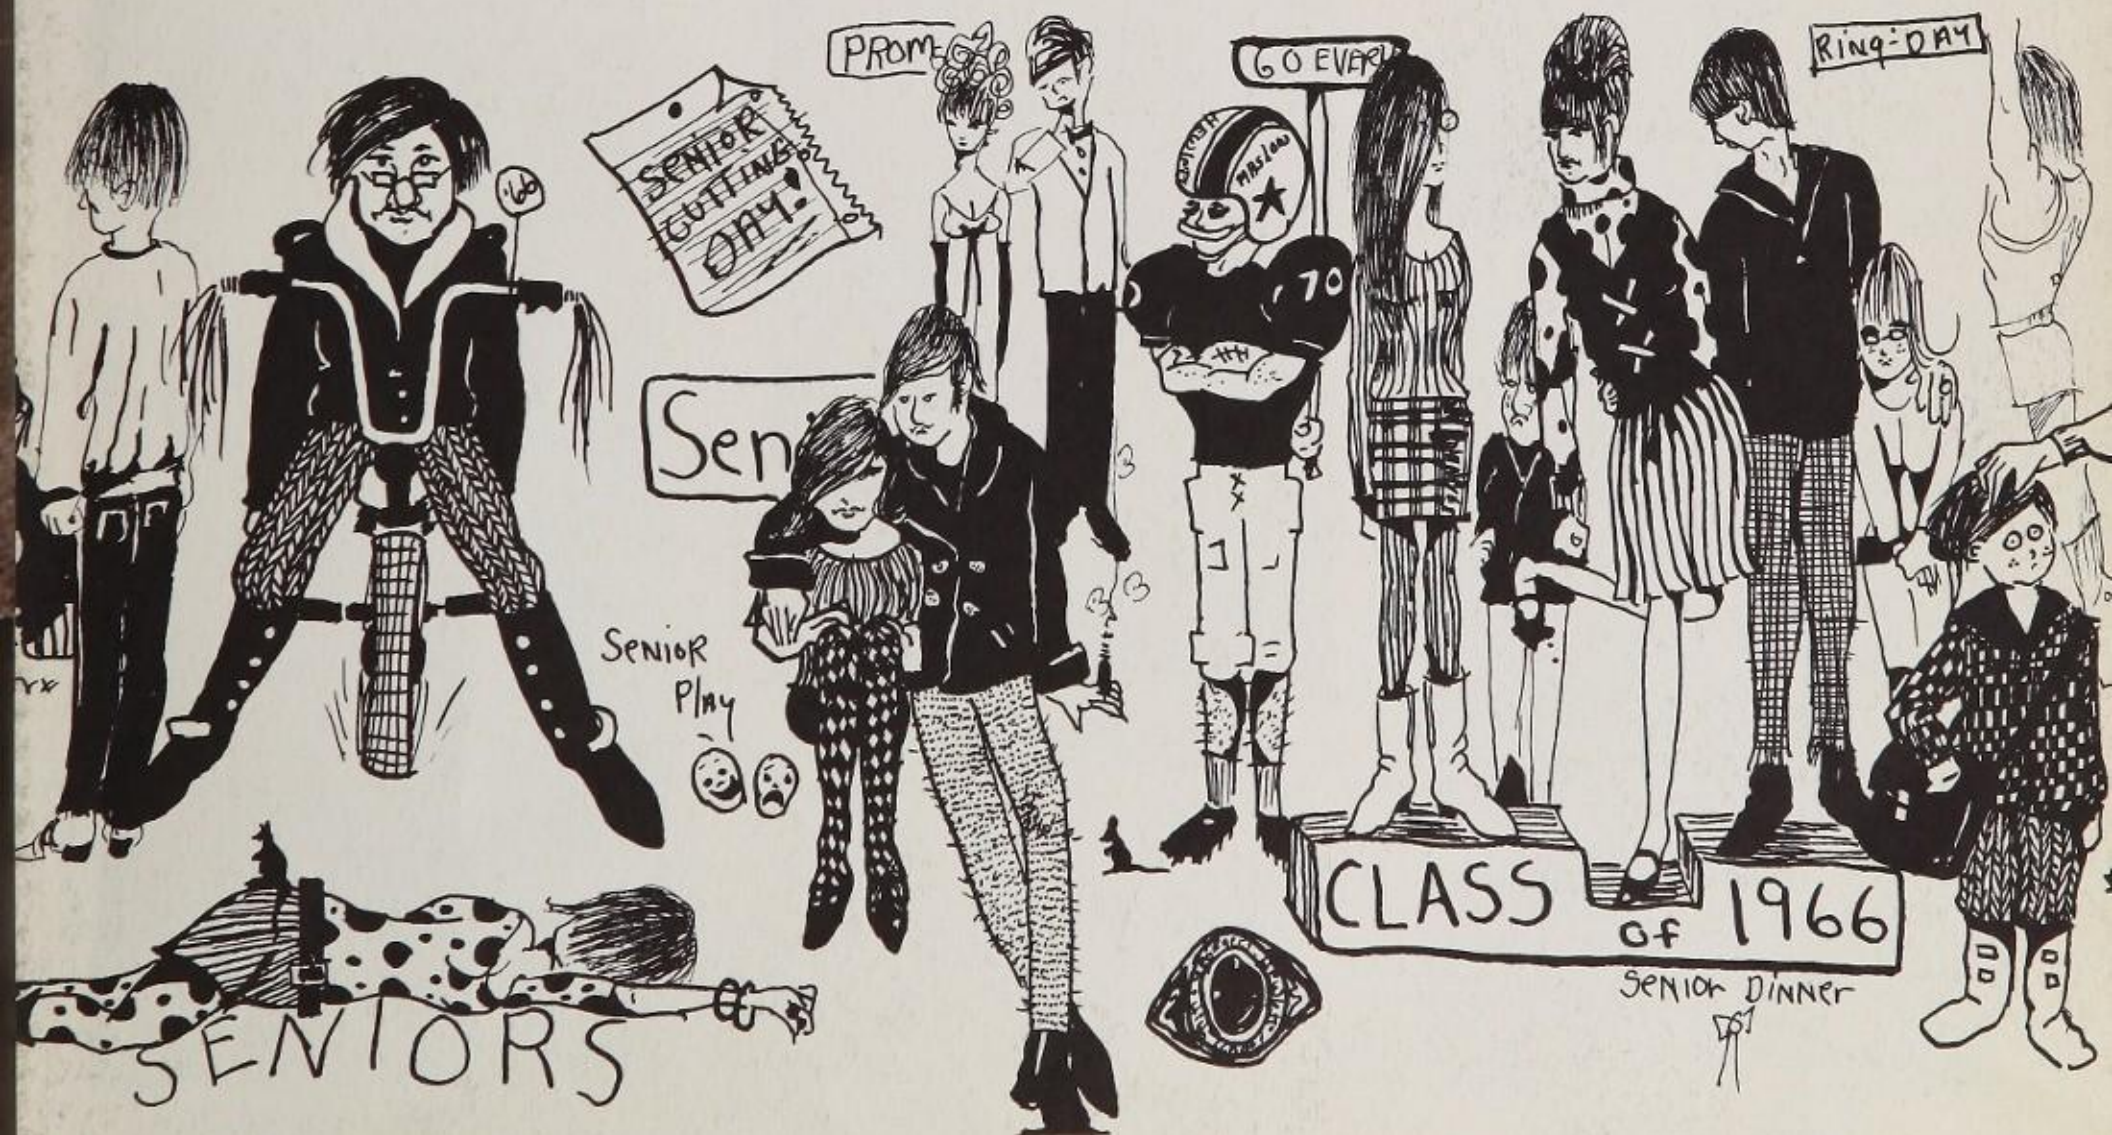

We approach graduation
From Hewlett High.

We stand unafraid
By a misty sea,
Some decisions behind us,
A future that's free.

COLLEGE OF PETER AND LENNY
HEWLETT, NEW YORK

I. NAME _____ ADDRESS _____
CITY _____ STATE _____

Are you now or have you ever been a member of a sub-
versive group? _____ Which one? _____
How come? _____ You lying? (We have ways
Ever been in trouble? _____ of making you talk.) _____

II. Answer each in 25-26 words:

1. If you were invisible, would you sneak into movie theaters or would you become a spy for the C.I.A. and steal all of Haiti's hydrogen bomb secrets?
2. Why don't you want to be a Fireman?
3. Who knows what evil lurks in the hearts of men?

III. Write a lyric poem of 100-200 words about a prominent person in the field in which you plan to study. If you have not yet decided upon a major, compose an operetta from the laundry list of the Secretary of the Interior.

IV. Answer one of the following in 250-300 pages:

1. The hidden symbolism of Batman's utility belt.
2. Man's inhumanity to man in "How to Win Friends and Influence People."
3. Write a personal essay on the Spanish Inquisition.

V. Teacher evaluation (check appropriate space):

1. Motivation _____ Well ... _____
\$\$\$\$ _____ Pretty much so _____

Wang Ta (Bob Javer) sings "Like A God."

Underclassmen

Class of '67

Immediately after being elected, the competent class officers formed the Junior Council to promote class spirit. Enthusiasm reached its peak in the fall during the highlighted weekend of the annual Junior Play and Junior Class Breakfast. Due to the fine acting, this year's production, "Junior Miss," was a success and, as a result, our class treasury reached triple figures for the first time. After the Junior Class Breakfast, the unsuspecting policemen were presented with an interesting problem when 150 spirited Juniors linked arms and weaved in and out of traffic on Broadway. The enthusiasm of this year's Junior Class is an indication of future success.

Lois introduces another boyfriend to the members of the Graves household. Mrs. Graves (Laura Slutsky), Uncle Willis (James Flynn), Mr. Graves (Ralph Lipman Jr.), boyfriend (Don Schulman), Lois Graves (Leslie Mann).

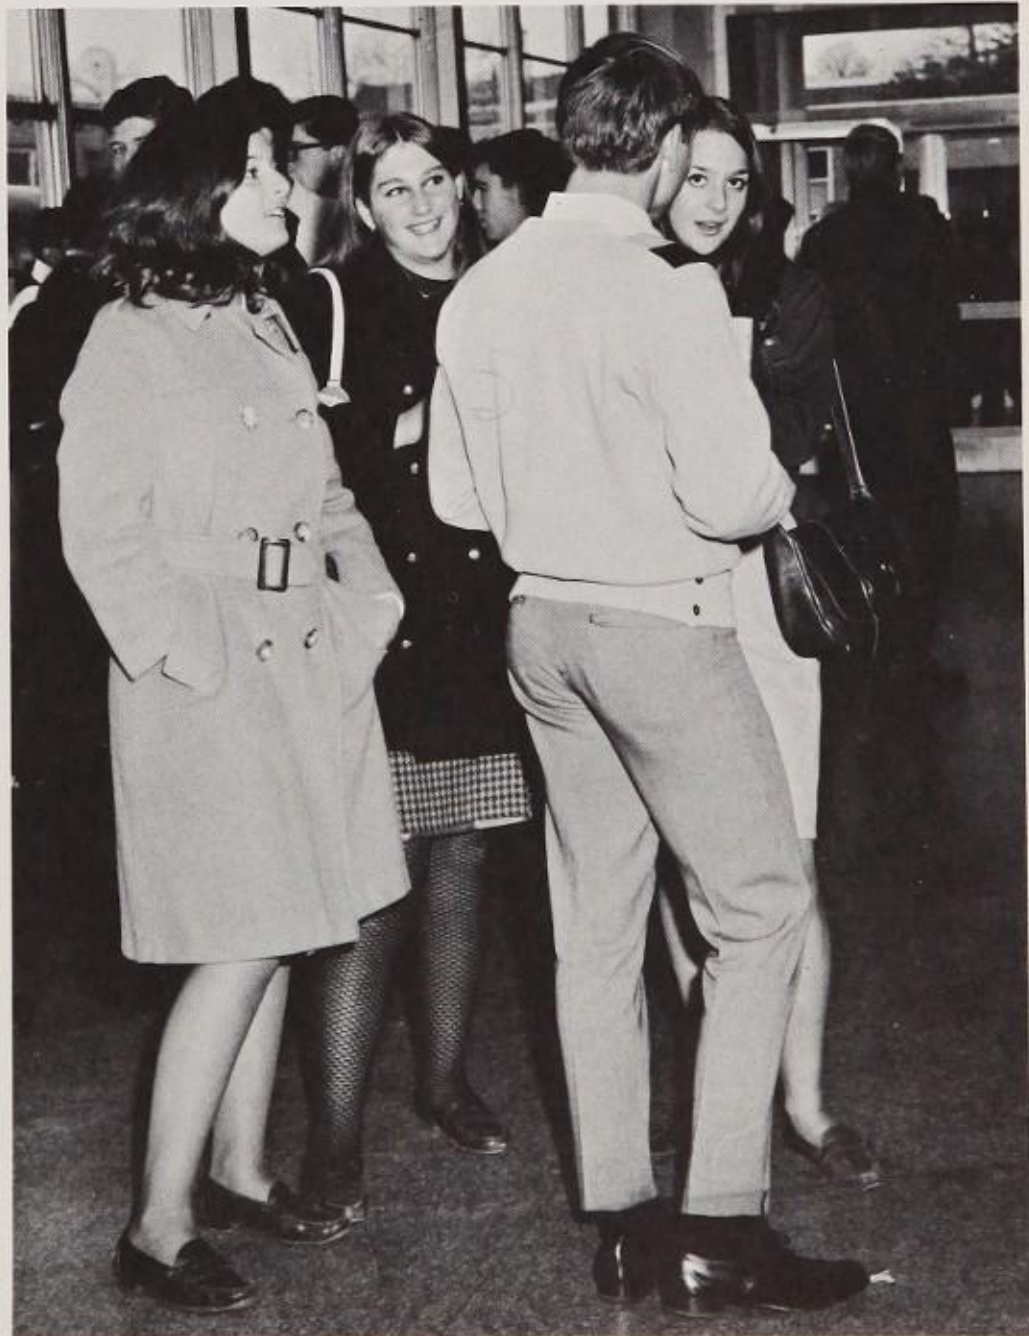

"May I swallow a whole rat if I'm lying!" Judy pledges Fuffy to honesty. Fuffy Adams (Lorie Meyerson), Judy Graves (Lauri Locks).

"Ellen, have you completely lost your mind?" J. B.'s reaction to his daughter's marriage announcement. J. B. Curtis (John Devlin), Ellen Curtis (Lonnie Haymes).

Underclassmen

Class of '68

This year's Soph Council had a number of surprising successes. Its Soph Nite drew the largest attendance of any class dance and made the largest profit ever, a record-breaking event. Historically, Soph enthusiasm is supposed to be a nonentity, but this year's class provided for the greater portion of attendance at the Student Council Skating Party, and its own Skiing Trip was a memorable affair.

At the time of this writing the Sophs have scheduled Soph Nite II, a Soph-Jr. basketball game and dance (wild with class spirit, they dared to challenge their upper classmen) and other events. All promise to add currency to the bulging Soph Treasury, largest in school's recollection.

Their goal is to put on their Jr. Play without resorting to borrowing money: this has never been done before; but if anyone can reach this goal — it's the class of '68!

English

Hewlett's English department is an ever-expanding, ever-improving organization. One of its finest aspects is its desire to keep looking for new and better methods of teaching so that the student can be exposed to as many facets of the English language as possible.

To augment the curriculum and broaden the scope of the student, Hewlett has instituted creative writing, humanities, public speaking, and team teaching programs. In Creative Writing promising students learn how to channel their talent in order to become mature writers by studying and analyzing the styles of leading authors. The Humanities, introduced for the first time this year, explores the arts and their relation to man and society from ancient Greece to the present. Taught by five teachers, each specializing in one field — art, music, drama, literature, and history — the program draws on the talent and imagination of the student. Public Speaking instructs the student in proper and effective oral presentation. Team Teaching is another source of pride to Hewlett. The students have a flexible program, sometimes meeting in small groups of ten, sometimes as a class of sixty. Because all the students have a free second period, the class may run from thirty minutes to sixty. As in the Humanities class, each of the three teachers is able to specialize in the particular field which is most interesting to him or her. The program is therefore designed to allow the students to form small interest groups to further delve into the particular field they find exciting. Perhaps this is the aim of the entire English department — to offer a diversified enough curriculum to accommodate the many varied student interests.

Humanities

The faculty of the Humanities class display virtuosity in art, music, theatre, and literature.

The Humanities class plays at the Commedia Del' Arte.

Team Teaching

Three heads are better than one.

History

The aim of the Hewlett High History Department has been to show the trends, the forces which brought them about, and the resulting ramifications which mould history. Once the student has this basic foundation, he can understand the specific events which are built on to this framework.

In World History the student finds that such events as the French Revolution, the Crusades, the Reformation, and the World Wars are just the final manifestations of the gradual changes in thought and the almost minute disintegration of an established system.

Though America's history is but a speck on the time line of World History, it, too, can not be completely taught in one or two years. Though in later years the student may forget exactly what legislation brought an end to child labor or what Jackson answered Calhoun at the Jefferson Day Dinner, he will always retain an ineradicable understanding of his country's history. It is this grasp of history that the department aims at. The serious student can always look up a date or a provision if he knows where to go for it and why it is there.

In the honor classes this theory prevails. Rather than memorizing facts, the students are given the opportunity to read, analyze, and discuss primary documents. In so doing the student can see for himself the tenor of thought during each historical era. This first-hand exploration gives a realism and fascination to history that secondary sources can not provide.

Foreign Languages

Although it has only been in the last ten years that Americans have awakened to the importance of language studies, Hewlett has always been proud of its strong modern foreign language department. Our record is impressive. Most Hewlettites find it difficult to remember a year when we haven't cleanly swept top honors in state foreign language competitions. How many schools can boast of taking first place in the French two, three, four, and special classification for outside study state competitions in one year?

Hewlett has placed strong emphasis on lingual abilities. Through up-to-date language labs, tape recordings, records, films, and after school clubs, students have been able to improve their accents themselves. Through supplementary reading and reporting, in conjunction with class study, the students are able to sample foreign literature. The value of reading Hugo, Cervantes, and Virgil in their respective languages is immeasurable.

As Hewlett has grown, so has the language department. Besides the courses in Latin, Spanish, and French, it is now possible to study German and Russian. Who can say — perhaps in a few years Hewlett will offer Chinese or Swahili.

Latin and German

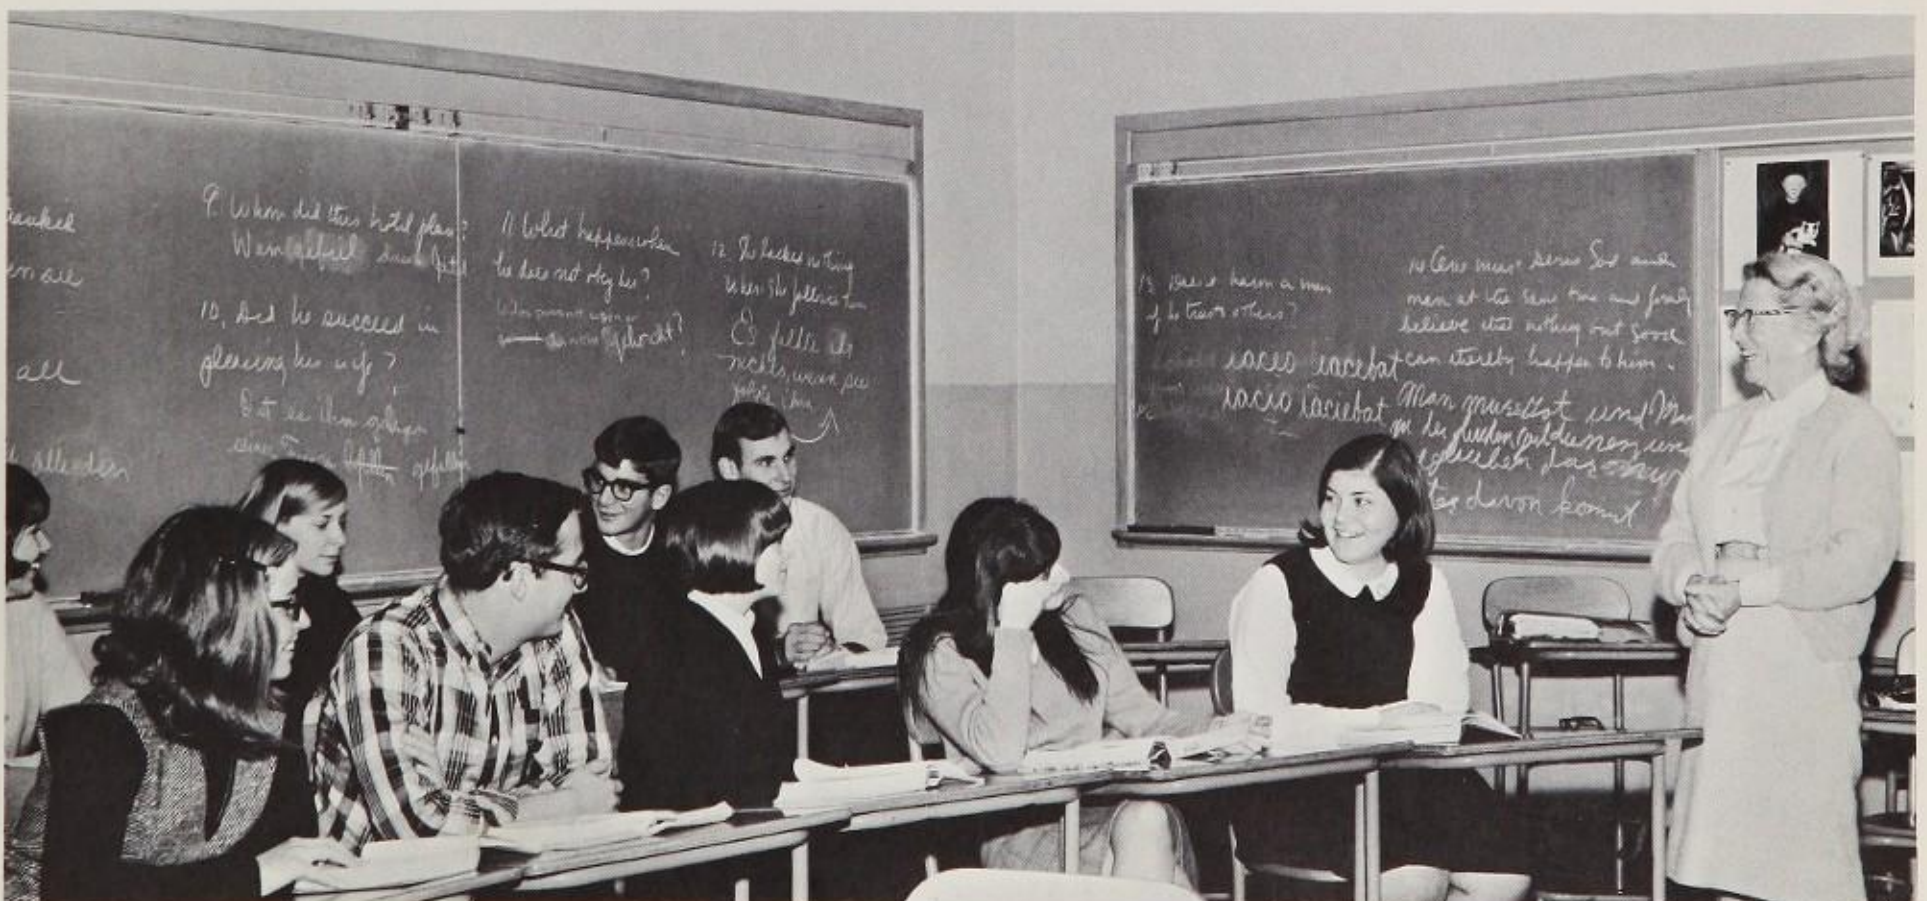

Eula Kielty

"Guten morgen, Fraulein!"

Latin Lovers

lab to perfect the accents of her "gringos."

Mr. Mirsky teaching Spanish? Russian? Swahili?

Mathematics and Sciences

The physical sciences play a vital and fascinating role in our modern civilization. An awareness of their many facets is essential to understanding the world. The mathematics and science programs at Hewlett offer basic and advanced courses to stimulate and challenge each student.

Algebra and Geometry consist of fundamental principles and reasoning processes. These objective and gratifying subjects often encourage students to pursue further the marvels of mathematics. Probability and Statistics is a practical course necessary for most research fields. Analytical Geometry and Advanced Algebra further develop a student's ability to think logically. Math 12X and Calculus are recent additions to Hewlett's curriculum. Mathematics enthusiasts in these advanced courses are introduced to the tools of today's scientist.

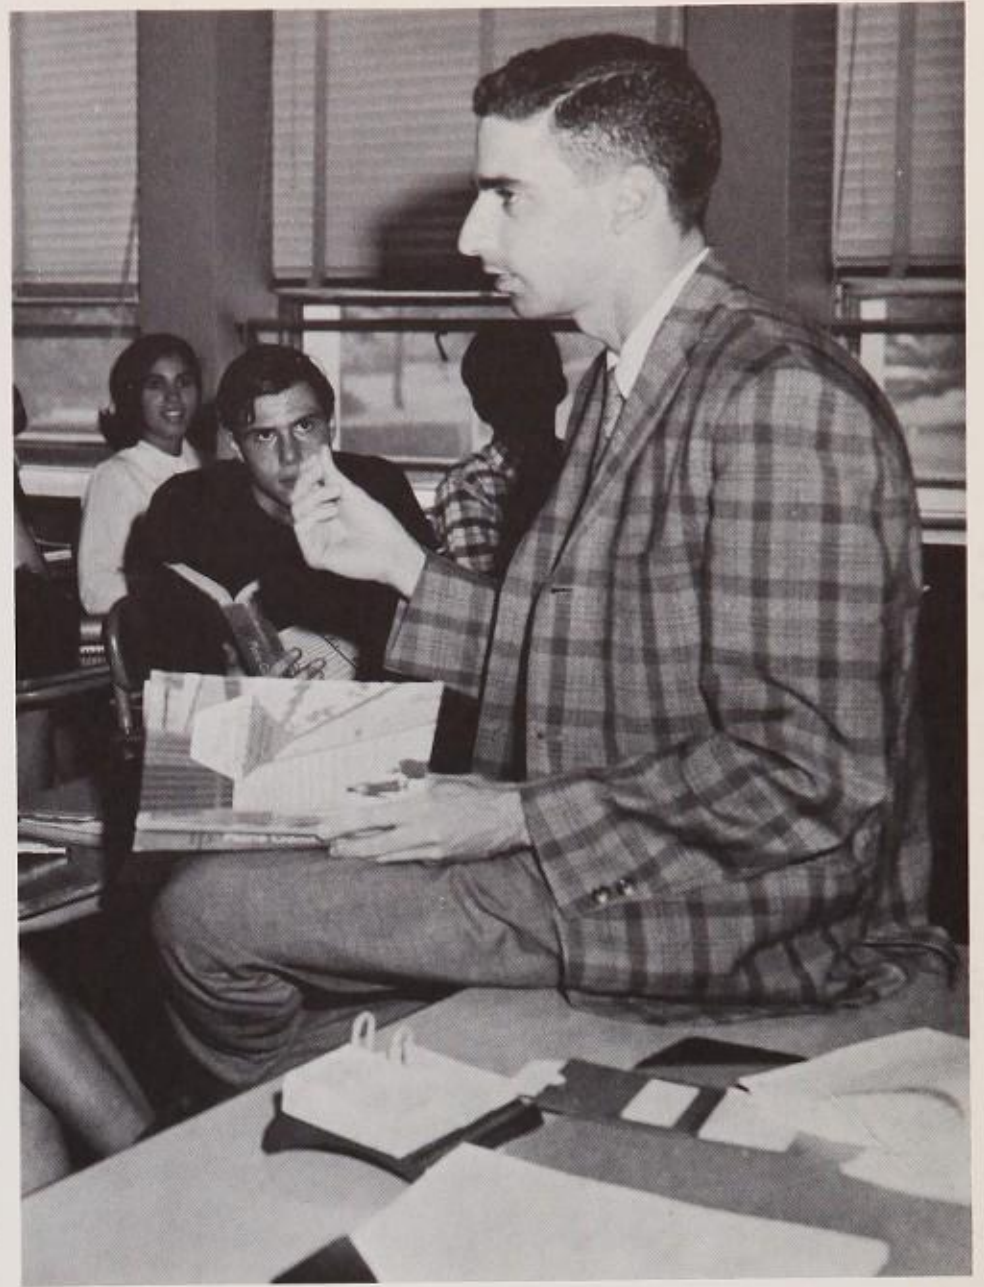

Science courses at Hewlett give the student an opportunity to experiment and observe. Biology, the study of animal life, offers greater understanding of the processes by which animals grow, regenerate themselves, and function. Radiation Biology teaches ambitious students the source, transmission, and effect of energy emanations upon living organisms. Chemistry delves into the composition and inter-reaction of all matter. Physics students use their mathematics skills to analyze mechanics, energy, wave phenomenon, and electricity. PSSC covers each topic in greater depth and allows the student to perfect his individual laboratory technique.

Science and mathematics are often a student's most rewarding subjects. The student at Hewlett is fortunate to have excellent equipment, a broad selection of courses, and inspiring teachers.

Biology students learn to pull themselves together.

Electives

We are in reality a comparatively small high school, but our choice of electives is quite extensive.

For those interested in the arts, Hewlett boasts a thriving art and music department. In the past five years the high school has witnessed the advent of a grade A orchestra, and the expansion of a fine chorus and band. The winter and spring concerts have become as important in our school life as the school plays, dances, and final examinations. Our liberal and progressive art department produces movies, designs clothing and buildings, creates advertisements, and annually presents an exciting exhibition of student work.

If one is of a mechanical nature, he has at his disposal the auto mechanics shop and the mechanical drawing boards. The audio-visual department affords the student the opportunity of showing films, taping, running our P.A. system, and assisting teachers with audio-visual materials. Of course, we cannot forget Hewlett's most popular class — Driver Education. How envious are other teachers of the enthusiasm which students bring to this class!

Whether for personal use or as a basis for future study, the Home Economics and Home Nursing programs offer the student interesting and above all practical information in cooking, sewing, and first aid.

The Business Education department in Hewlett is a thriving, expanding unit. This year we were proud to institute a new program which permits the student to attend classes in the morning and work in his field during the afternoon. The typing, shorthand, accounting, and bookkeeping classes provide the future businessman and secretary with a firm foundation upon which they can build their future.

CLUBS

American Field Service

The American Field Service functions as the welcoming committee for the foreign exchange students. Some of its projects are the annual welcome tea for exchange students, a Hallo-

ween party, and the International Weekend. This year, due to our active chapter of A.F.S., Hewlett was host to three exchange students instead of the customary one.

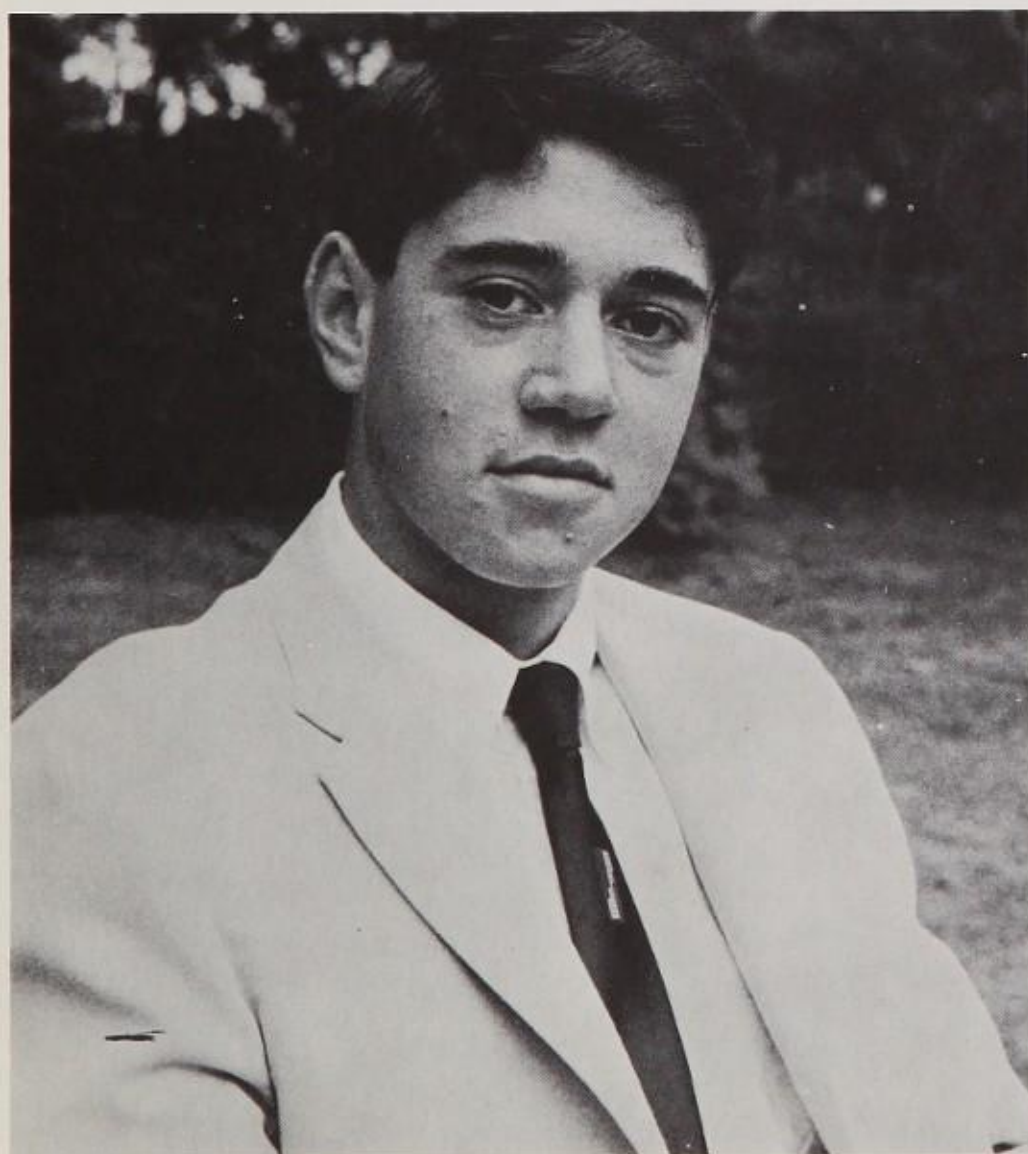

Alicia Fingerhut

Alicia Fingerhut of Spain was one of Hewlett's AFS students this year. She has lived all her life in Barcelona where she attended a co-ed French school. Her favorite subjects are art, music, and languages.

During her stay here, Alicia was most impressed by Hewlett's school spirit and the close relationship between American students and their teachers. When she returns home, Alicia hopes to attend the University of Spain and study either law or political science.

Leon Joffe

Leon Joffe, our exchange student from South Africa, spent the last ten months with the pupils of Hewlett High. He followed a regular schedule in Hewlett and visited other classes and schools. Leon learned about our country and taught us about his. He was a very active member of the AFS, Secretary of the Physics Club, an actor in the Senior Play, and a member of the tennis team. Although Leon plans to study engineering, he is an excellent writer and hopes to become a well-known author.

Visit to a shrine in Kyoto.

Under the auspices of the American Field Service, Bill Pfeffer lived for two and a half months last summer in Takarazuka, Japan, a suburb of large, industrial Osaka. For most of his stay, Bill followed his Japanese family's normal summer routine. However, he did attend high school for a few weeks and made a number of brief excursions to other sections of

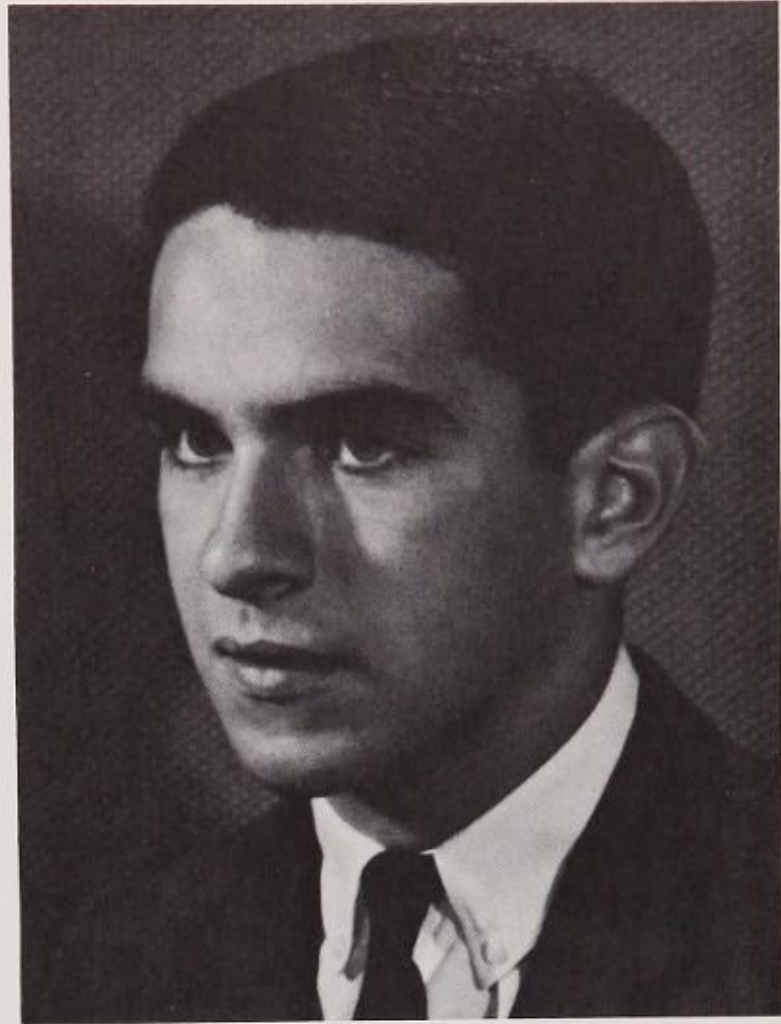

Japan. Throughout his stay, there was much to be learned from each individual and from each situation. Bill feels that observing people born in an unfamiliar culture and setting has added to his understanding of people in general. He will be forever grateful to those people in school and in AFS who made his trip possible.

Dinner at a friend's house.

Mehmet Mudderisoglu

Mehmet Mudderisoglu, our AFS student from Istanbul, Turkey, came to Hewlett in February. It took little time for Mehmet to become an important member of Hewlett High School's student body. He participated in the Photography Club, AFS, Honor Society, and the Senior Play. After Mehmet's stay here with host Ronald Maiorino, he plans to return to Turkey and study pharmacology.

Four members of the American Field Service entertain at assembly.

Social Studies Forum

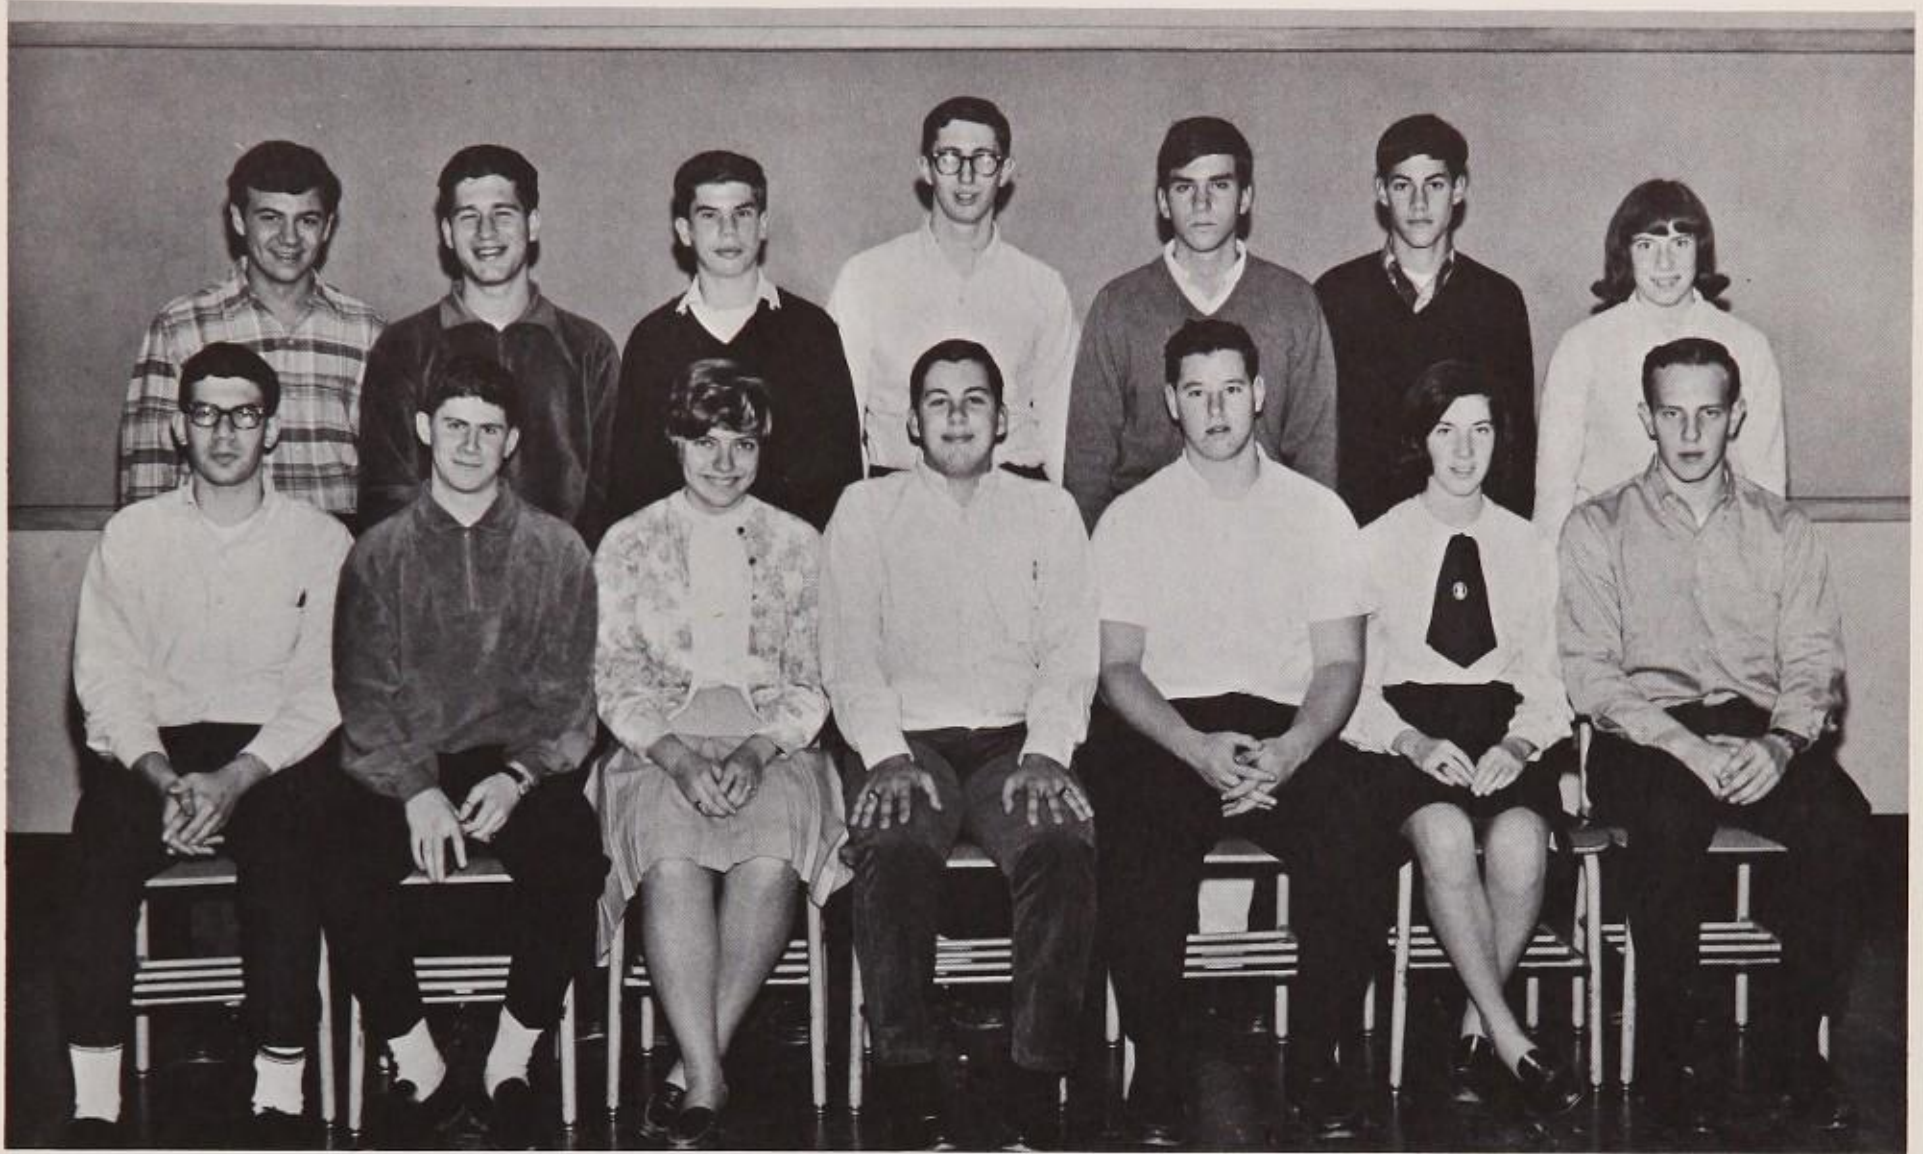

Forum members plan the next meeting.

This year the social studies clubs combined to form the Social Studies Forum. Membership approached 250 students at monthly meetings. The forum's activities included panel discussions, lectures, and assemblies.

Officers of the Social Studies Forum.

Forensic Society

This year, the George W. Hewlett Forensic Society far surpassed its past efforts in the Long Island Debate Association Congresses and Debate Meets. The members of the club advanced their knowledge of forensic talents. Interschool debates were held on the National Debate Topic: "Resolved that a policy of compulsory arbitration should be taken in labor-management disputes." Not only did members of the club participate in debates, extemporaneous speeches and dramatic interpretations, but they helped to make plans for a debate congress to be hosted by our school next fall.

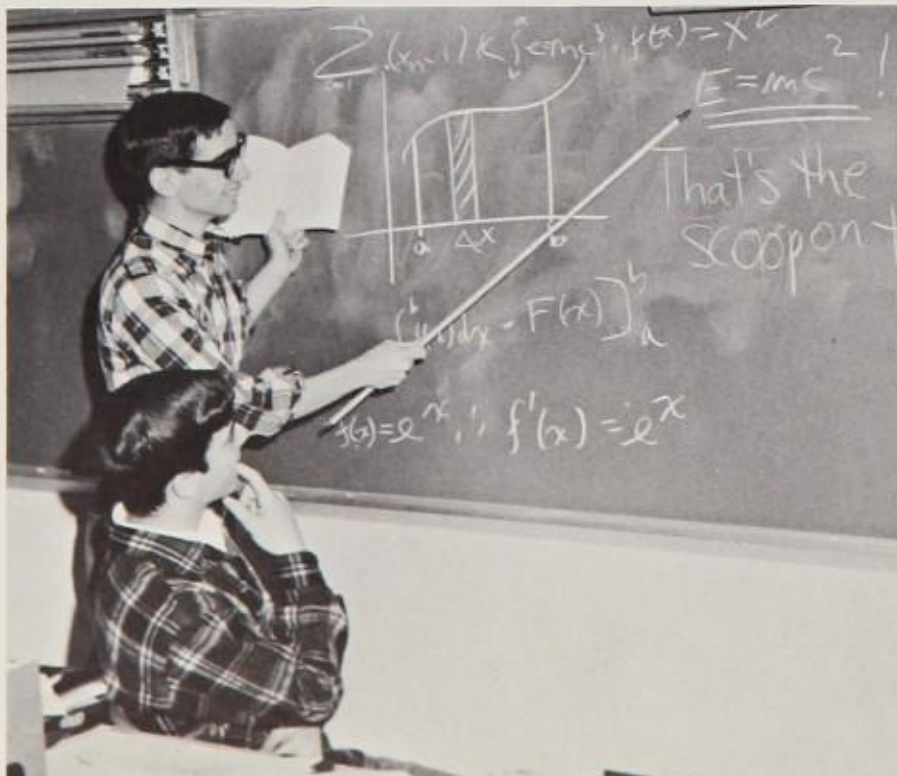

Silver-tongued orator enraptures audience.

National Honor Society

Hewlett High's Asterean chapter of the National Honor Society profited from a fruitful and busy year. At monthly meetings, the Society conducted stimulating discussions and was privileged to be host to several guest speakers. A student help program, initiated last year, was again encouraged with the cooperation of the faculty. The annual Alumni Tea,

held at the home of Kathy Sharko, proved to be a huge success. The highlight of the year was the Induction Assembly in the spring, at which time the Honor Society admitted new members on the basis of their overall service and leadership in the school, as well as their integrity in maintaining a high level of scholastic achievement.

Member of Honor Society does math tutoring as part of the student aid program.

Language Clubs

All of the five language clubs have basically the same goals. They attempt to improve their members' ability in writing and speaking the specific language, while increasing their knowledge of the culture found in the land in which the language is spoken. These aims are carried out by group discussions, films, guest speakers, and trips to the theatre.

El Circulo Español

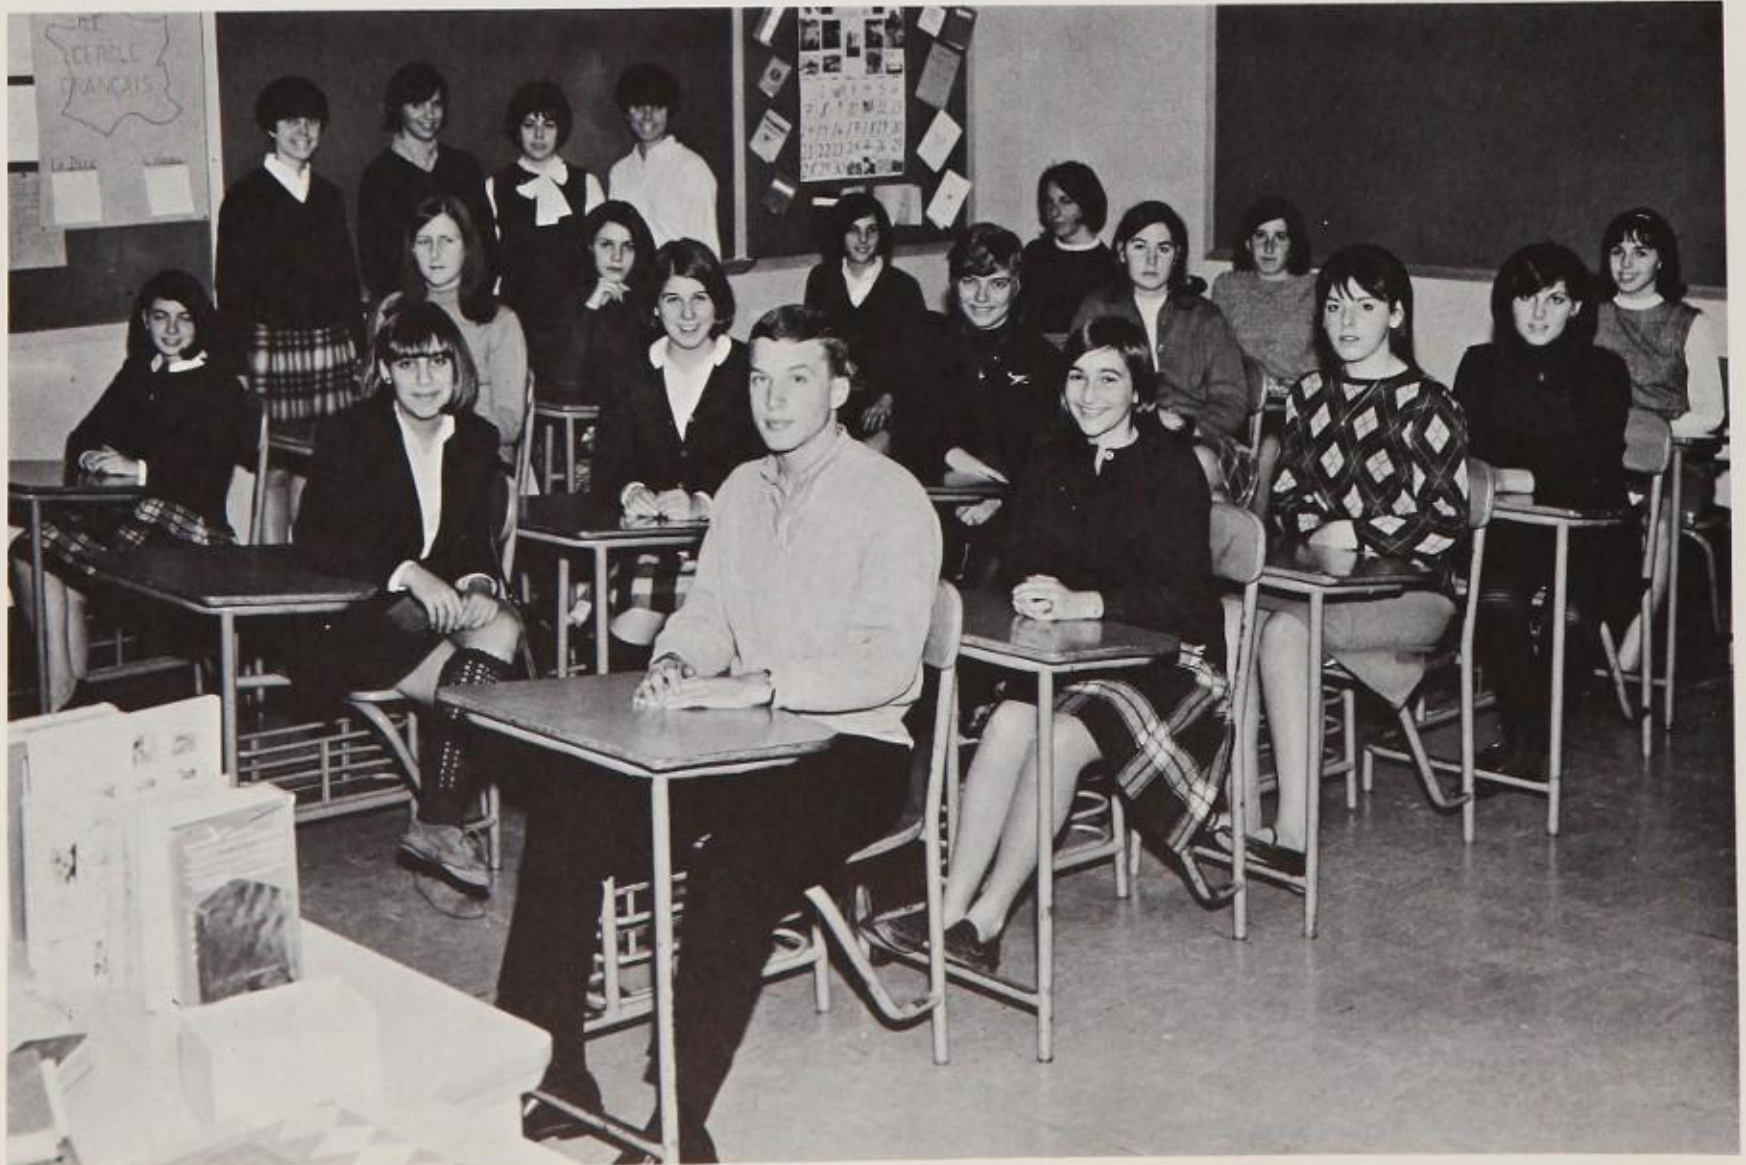

Two señoritas from La Sociedad Hispánica.

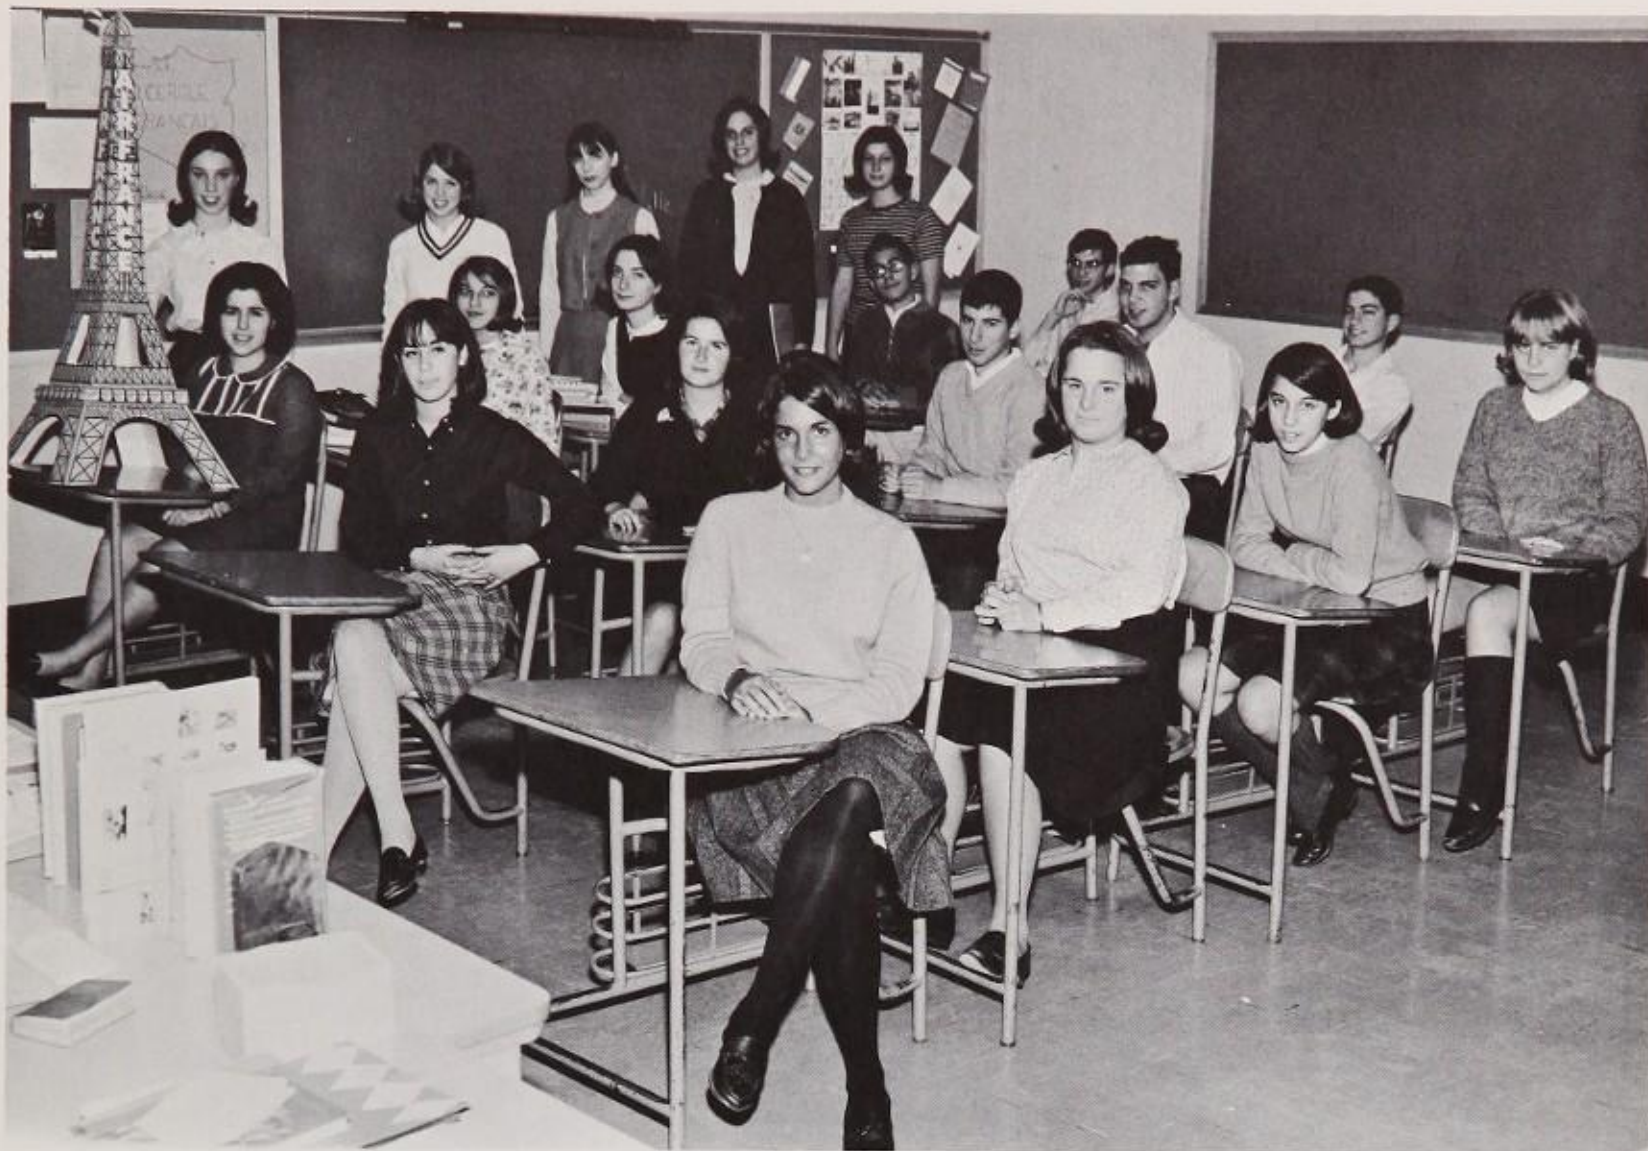

Spanish Honor Society

La Société Française

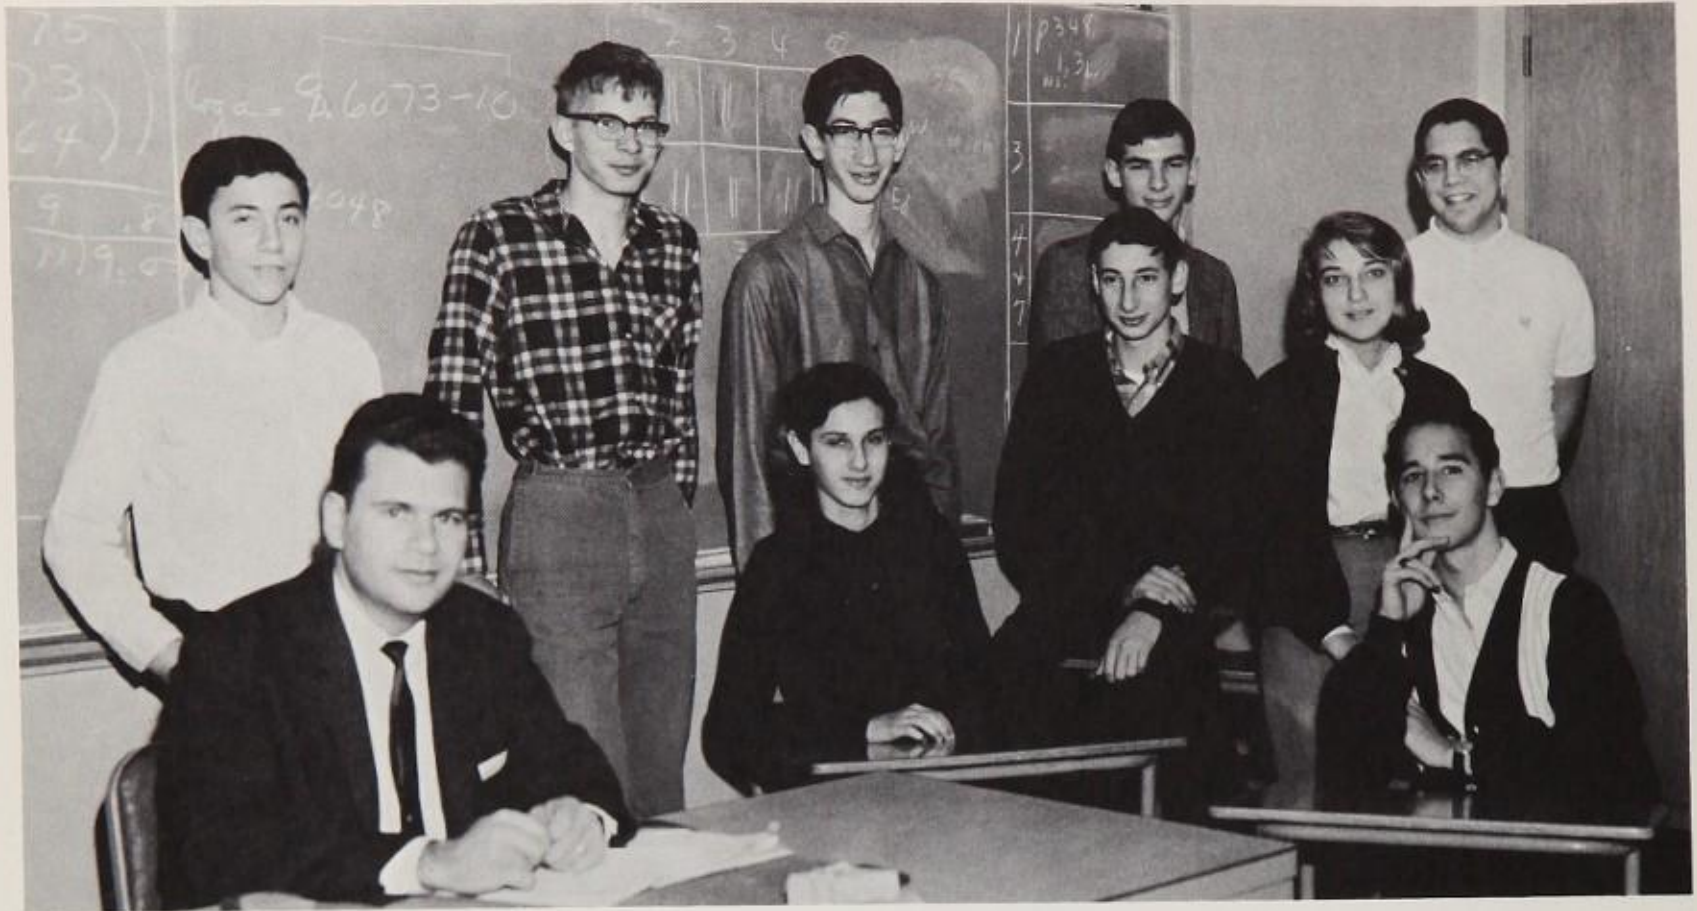

Le Cercle Français

Officers of Le Cercle Français in an informal pose.

Math Team

Hewlett's Math Team consists of our brightest math scholars. At their regular meetings, the members work to increase their skills and speed in solving problems. They compete against five local schools at meets in which problems are worked against time. The Mathletes have completed a successful season and are looking forward to next year.

Math Club

Hewlett's Math Club serves as a supplement to our normal mathematics courses. It provides its members with an opportunity to explore new fields and applications of mathematics. Augmented occasionally by guest speakers, the club's programs are designed to let the student teach himself.

Physics Club

The Physics Club gives its members the opportunity to broaden their knowledge of physics by individually pursuing worthwhile and interesting projects. Members then share their discoveries by reporting on their research to the club. Projects have ranged from the use of electronic circuits as integrating devices to electrophoresis demonstrations.

Biology Club

The Biology Club enables its members to develop their interest and skills in biology beyond the bounds of the Classroom. Each year, members contribute projects to the district Science Fair.

Audio-Visual Squad

Hewlett High School depends on the Audio-Visual Squad to keep things running smoothly. Thanks to the A. V. Squad, students hear announcements every day via the Public Address system. The A. V. Squad supplies and operates projectors, tape recorders, phonographs, and assists the faculty in audio-visual presentations. The Squad's other varied functions include staging assemblies and class plays, laminating books, and announcing and operating the scoreboard at home basketball games.

Deep inside U. N. C. L. E. headquarters, two A. V. operatives contemplate the soul of mankind and become victims of technological unemployment.

Photography Club

The members of this year's photography club have shown extraordinary promise for future creation. However, it seems that the Muse has longtime shied from their portals. Perhaps with a little more effort and some divine guidance, the club members will eventually realize their potential which is indeed great.

Industrial Arts Club

The Industrial Arts Club offers an opportunity for advanced work in various fields of industrial arts. Besides working on personal projects, sets are constructed for the Junior and Senior plays. Also, games and toys are mass produced for the Red Cross and the children in orphan homes.

Theater Arts Club

Seniors

Juniors

Theater Arts Club

Sophomores

Theater Arts Club has become so popular that it was necessary to trisect the club into Sophomore, Junior and Senior divisions. The members are exposed to various aspects of the fine arts through trips to theater, ballet and opera. This year, TAC offered tickets to such performances as the controversial drama *Marat de Sade*, the ballet *Don Quixote*, performed at the New York State Theater, and a series of operettas at City Center. Another exciting feature of TAC's program is the presentation of guest speakers from the theatrical world.

TAC Members discuss an upcoming show.

Drama Workshop

This year, Drama Workshop has expanded to nearly sixty members. This increase indicates the growing popularity of dramatics in Hewlett High School. The club was founded to provide practical experience for those students who are interested in acting, directing, and other technical aspects of the theatre. Activities include dramatic readings, pantomimes, improvisations, listening to guest speakers, trips to see plays, and an annual assembly.

Mr. Levin coaches his stars for assembly production.

Folk Music Club

Folk music at the Winter Concert.

The Folk Music Club was organized to promote interest in this medium and expose its members to the different phases of folk. At the informal meetings, members exchange songs and play guitars, banjos and kazoos. The club has exhibited its talent at several school assemblies and at a hootenanny.

Future Teachers of America

The Future Teachers of America attempts to introduce its members to all aspects of the teaching profession. Guest speakers and films help make the meetings varied and interesting, while the cadet teaching and the teachers' aid programs enable members to gain practical

experience. Through participation in these projects, members learn to understand the rewards of their future profession. At this year's benefit theatre party, featuring *Becket*, the FTA raised money that will provide a scholarship for a deserving future teacher.

Upperclassmen division.

Underclassmen division.

Home Economics Club

The members of the Home Economics Club share an interest in all phases of home making. At their meetings, they plan dinners and cooking projects. The girls learn more about the art of home making through field trips and guest speakers. Their traditional activity of making stuffed animals for needy children at Christmas time is valuable for the members and for our community.

Members prepare food for faculty party.

Future Nurses Club

The purpose of the Future Nurses Club is to inform and interest its members in the career of nursing. Through guest speakers, films, field trips, and panel discussion the club attempts to channel members' interests in the field of nursing. The girls are able to gain practical experience by working at the Peninsula General Hospital in their free time.

Future nurses practice first aid.

Library Service Club

The members of the Library Service Club devote their free time in helping Hewlett's students to get the best possible use out of the library. They man the circulation desk; shelve, and help order, catalogue, and classify new books. The club members have found that they not only provide a valuable service for their school, but also learn to take full advantage of the library's resources for their own benefit.

Behind the scenes in the library office.

The Hewlett Bulletin

Through monthly publications of the Hewlett Bulletin, students are informed of the activities at Hewlett from the exciting football games during the fall to the Senior Play in the spring.

Highlighted in this year's Bulletin has been coverage of our three A.F.S. students, the announcement of the top ten seniors, extended reporting about both the Junior and Senior Plays, and various class activities, including

ski trips, dances and interclass competitions. In addition, thought-provoking editorials on such subjects as Vietnam, student apathy, cheating, and improvement of school life has caused much discussion. Under the wise direction of Mrs. Kielty, faculty advisor, and the section editors, the Bulletin has served as a concise, informative chronicle of the year's events.

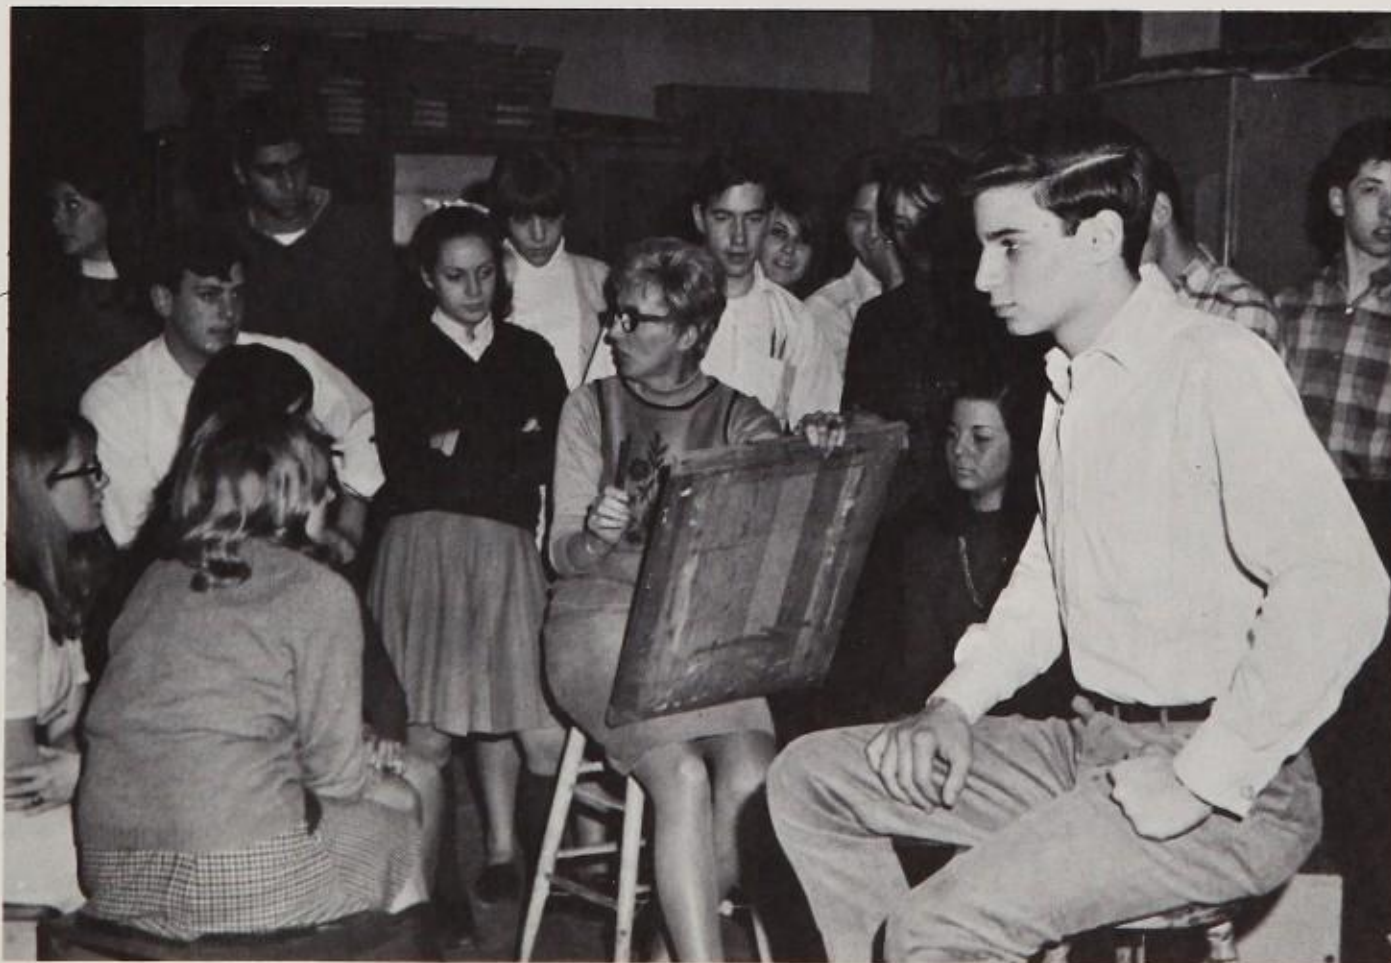

Another 5:00 meeting of 4 Bulletin editors.

Art Club

This year's Art Club, with a membership of one-hundred fifty, is the largest of Hewlett's Clubs. Its purpose is to add to the high school's beauty by undertaking such projects as decorating bulletin boards, and designing *Vintage*.

According to the members, the highlight of the club is the annual art assembly in which films produced by the members are shown in conjunction with music and dancing.

Miss Petersen discusses facial lines.

Varsity Club

Any boy with a varsity letter is eligible for membership in the Varsity Club. The Club's most important activity is the sponsoring of fund raising dances before each of the three sport seasons. The Varsity Club is also responsible for printing game schedules and distributing them to Hewlett students.

Boosters

Boosters was initiated this year as an attempt to invoke more school spirit by supporting the teams, and backing up our cheerleaders. Club members had uniforms, wrote cheers, and sat in special sections at the basketball games. The boosters were often congregated at the Rec. Hall designing posters to advertise the games. The club hopes to enlarge next year.

Boosters rehearse their cheers.

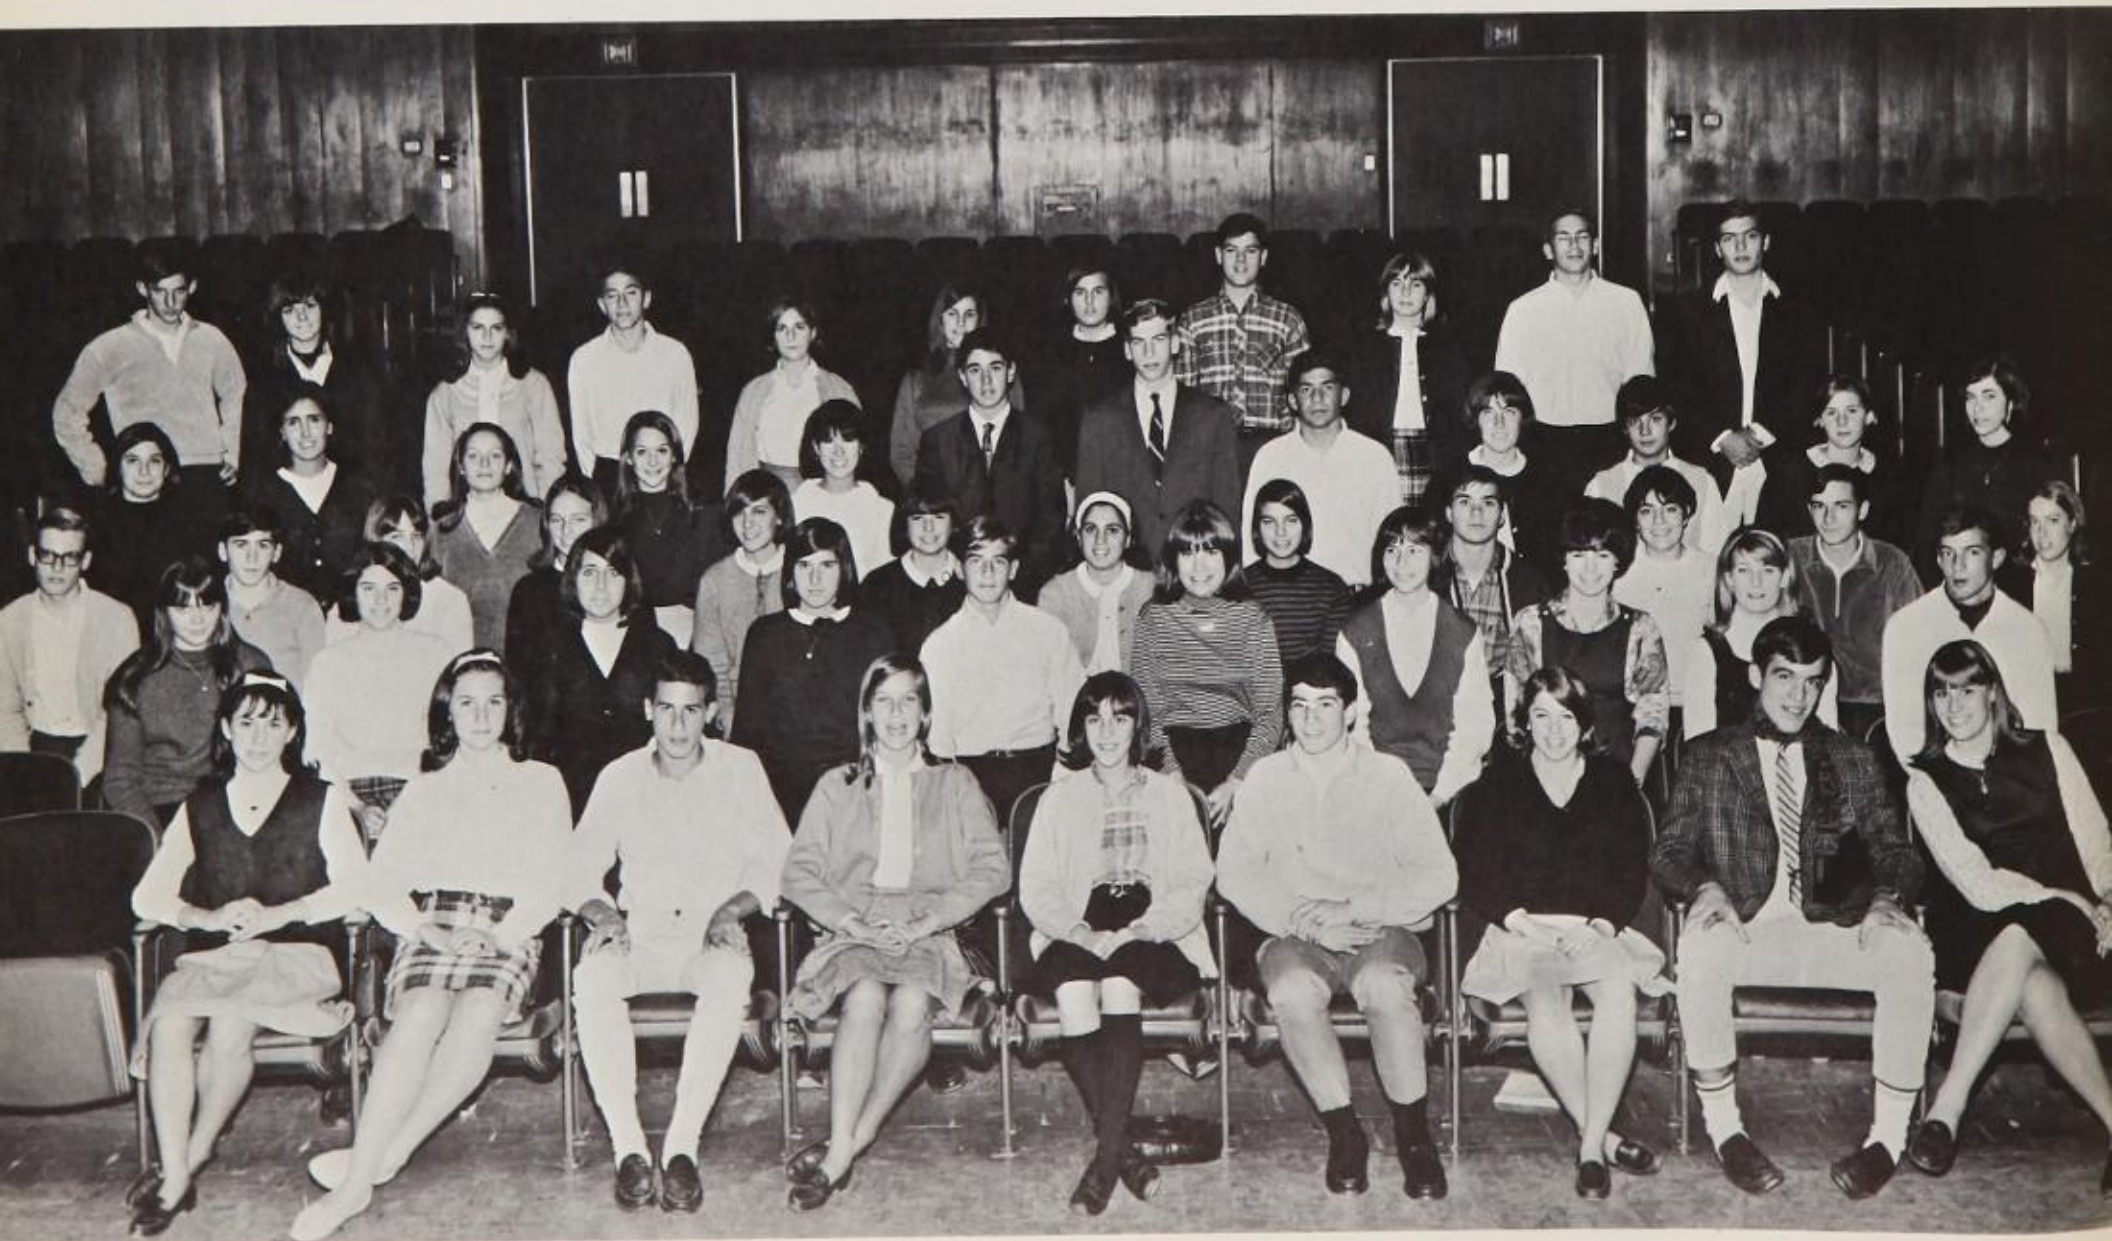

Boosters display their hats in a formal pose.

Student Council

This year's Student Council was one of the most effective in Hewlett High's history. Headed by President Josh Geberer, the Council was active in many student and civic affairs. This year, Council co-ordinated class and Student Council elections; they also sponsored the Food for Vietnam Soldiers drive. Vice-Presidents Phil Rizzo and Phil Kaiser, Treasurer Louis Rosner and Secretary Tacy Feinman ably superintended the student government.

The Council has held its annual fund-raising activities for Hewlett's foster children in Vietnam and Colombia and the Student Council Scholarships. The Carnival, Work Day, car wash and dance were very successful. The Interclass athletic competition and a skating party at Grant Park were innovated this year by the Council. Besides raising needed funds, these activities provided excellent entertainment for the student body.

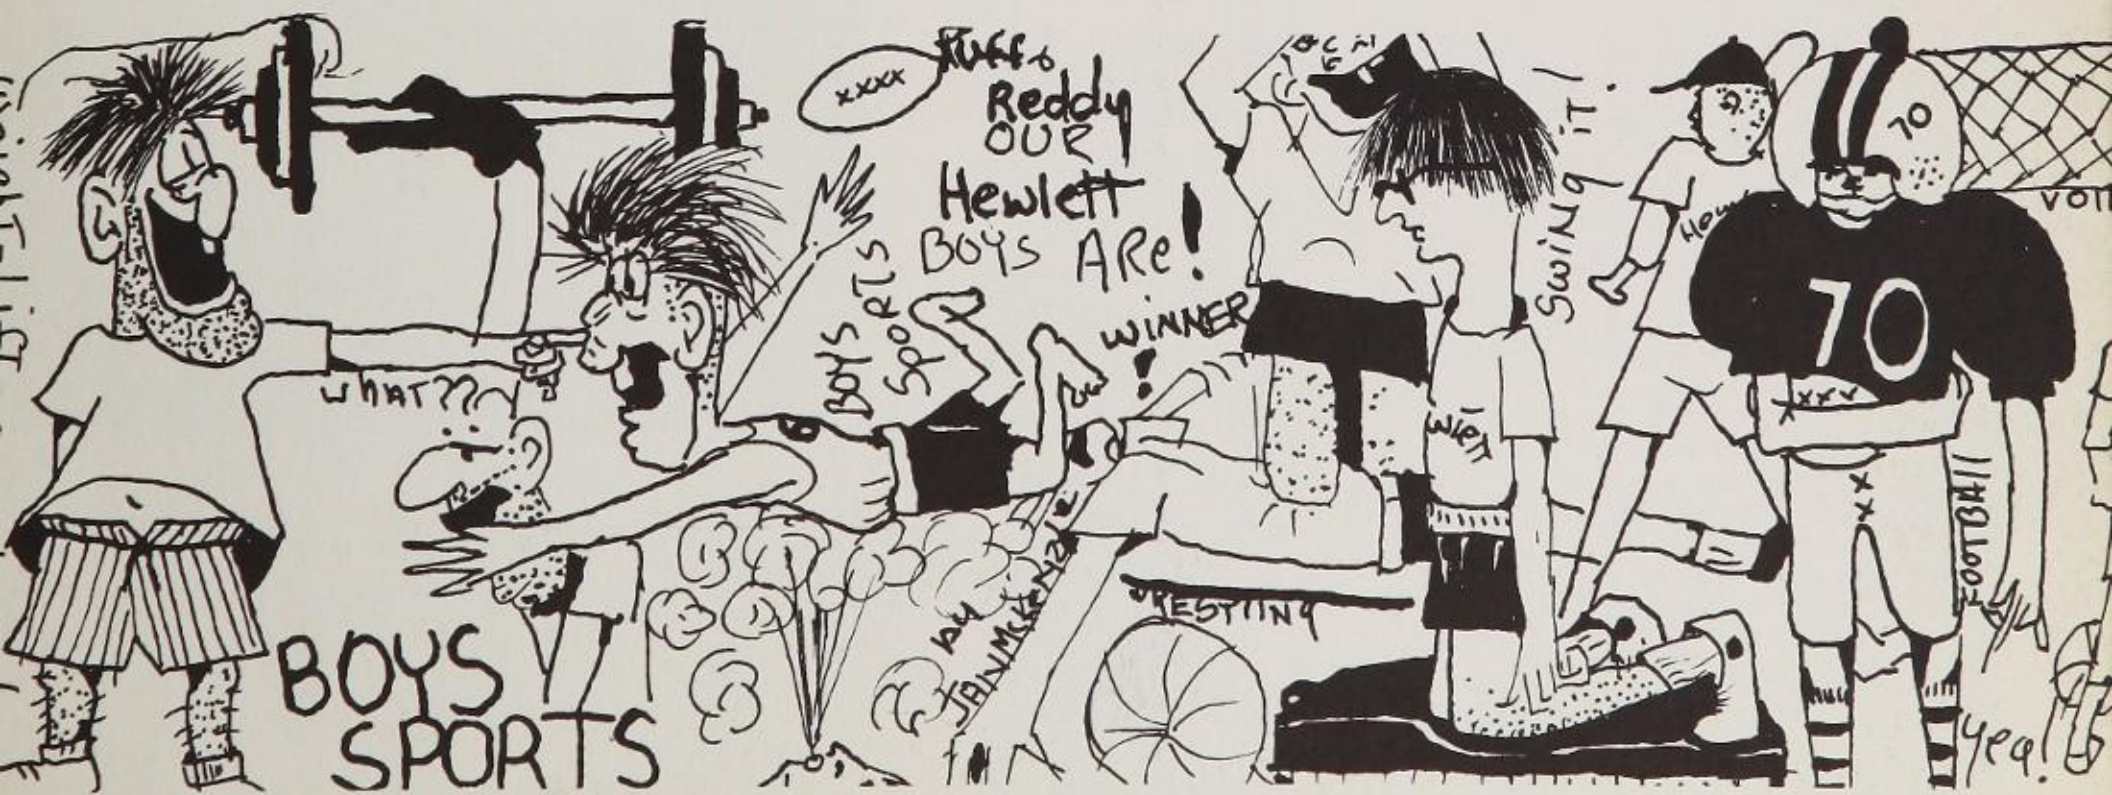

Student Council officers reflect for a moment.

The big clean is undertaken for the Scholarship Fund, a very successful project of the Student Council.

Bottom Row, left to right: J. Sanders, M. Acosella, R. Montovani, R. Adams, R. Whitney, J. Zullo, B. Green, J. Kerner, H. Brower, J. Nordlund, J. Lovell, J. Verga.
Standing: T. Sela (Coach), A. Roberson, M. Deutsch,

K. O'Brien, M. Podlaski, R. Deschler, M. Sedrish, C. Thilem, D. Adams, S. Maslow, P. Sheehan, D. Levison, A. Levy, Mr. Velsini (Coach).

This season the Hewlett Bluejackets moved up to South Shore Division II and handled the challenge admirably. Although the team suffered because of lack of depth, they finished with a 3-3 record — good enough to earn third place.

The defense was sparked by the great play of All-South Shore tackle Don Adams and All-League linebacker Adrian Levy. This young duo, coupled with the senior "fearsome foursome" of Pat Sheehan, Cliff Thilem, Russ Montovani, and Spencer Maslow, was the main reason for the Bluejacket string of four consecutive victories.

Our offensive attack was based mainly on the powerful running of John Zullo, Hewlett's All-League halfback. Quarterback Jerry Verga often complemented the running attack with clutch passes to ends John Nordlund and All-League Ken O'Brien.

With Don and Ron Adams, Adrian Levy, and Bob Whitney returning, Coach Sela will have a strong core of players for next season.

SCHEDULE

Cross Country

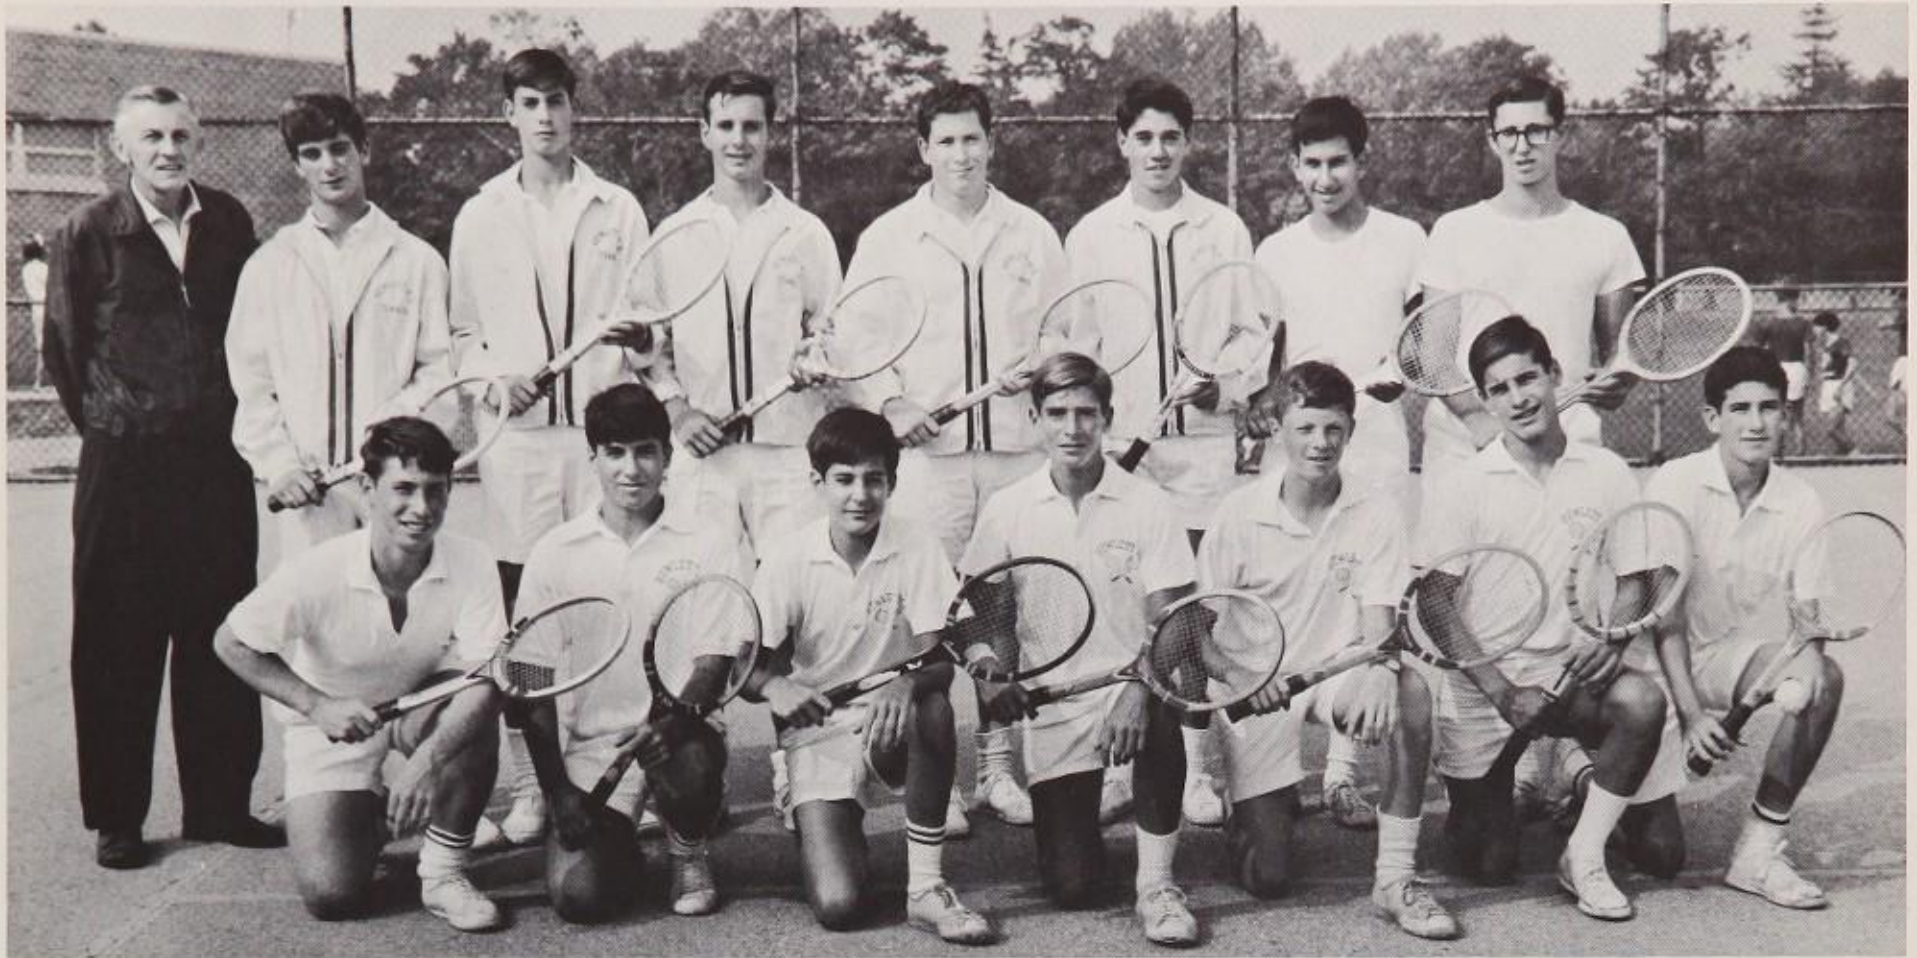

Left to right, bottom row: B. Klein, S. Koch, R. Cooperwasser, L. Matis, R. Long, J. Hochman, G. Schilling (Capt.), F. Zydor (Capt.), H. Borden. Second row: J. Vorspan, B. Rosner, R. Fuchs, J. Low, G. Brandt, S.

Tropeppi, W. Weinberger, W. Rubenstein, H. Deutch, D. Frankfort. Standing: J. Abrams, F. Rosen, S. Berman, A. Pollet, A. Shiffman, J. Oxford, G. Pupa, P. Simon, R. Glazer, P. Braverman, J. Asher, J. Hart (Coach).

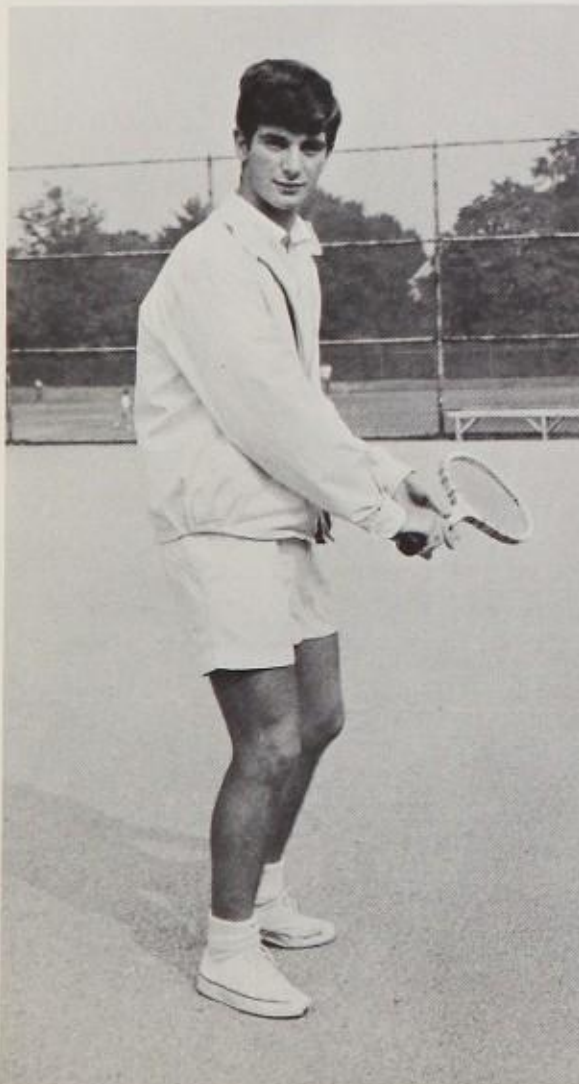

Coach Jim Hart's Hewlett Harriers concluded another excellent season with an 11-3 league record — good enough for a fourth place finish. In junior Frank Zydor and senior Gary Schilling, the team had the number one and two runners in the county (Section B). Zydor and Schilling finished 5th and 22nd respectively at the State Championships, and this powerful combination led Hewlett to a total won-lost record of 49-9.

Tennis Team

Left to right, bottom row: M. Edelstein, A. Schuyler, P. Lindenbaum, R. Casden, R. Goodman, R. Silver, K. Groover. Top row: D. McSweeny (Coach), P. Ortner (Capt.), T. Mohr (Capt.), L. Russel, J. Seeman, L. Joffe, P. Kupritz, M. Phillips.

After last years relatively poor season, Hewlett's netmen regained their dominance over South Shore tennis. Led by co-captains Pete Ortner (left) and Tom Mohr (right), the team won in Division II, and then went on to become SSAA champions and runners-up in Nassau County. Unbeaten Freshman Sam Silberstein and the strong doubles play of Casden and Lindenbaum were instrumental in the team's success.

Bottom Row, left to right: R. Berk, E. Metelka, A. Glauberg, J. Geberer (Capt.), L. Rosner (Capt.), S. Rockmuller, L. Bost. Second Row: W. Pfeffer, P. Danziger, M. Lederman, D. Goldstone, P. Scharwzman, S. Badinelli,

W. Florin, J. Geller. Standing: J. Hasley (Coach), D. Rudolph, P. Center, J. Santipolo, A. Kaplan, E. Schneider, S. Rappoport, W. Geisler, J. P. Denis, W. Berkowitz, R. Barrows, J. Buslik, R. Strelitz (Manager).

This year Hewlett's hopes were high for a fine soccer season. Enthusiasm was generated among the student body for the booters, but resulting injuries and their inability to come up with the big play produced a mediocre mark.

Certainly, a bright spot in the rather gloomy soccer scene was the outstanding play of All-League de-

fensive back Josh Geberer. Capably minding the nets was Lou Rosner, co-captain along with Geberer.

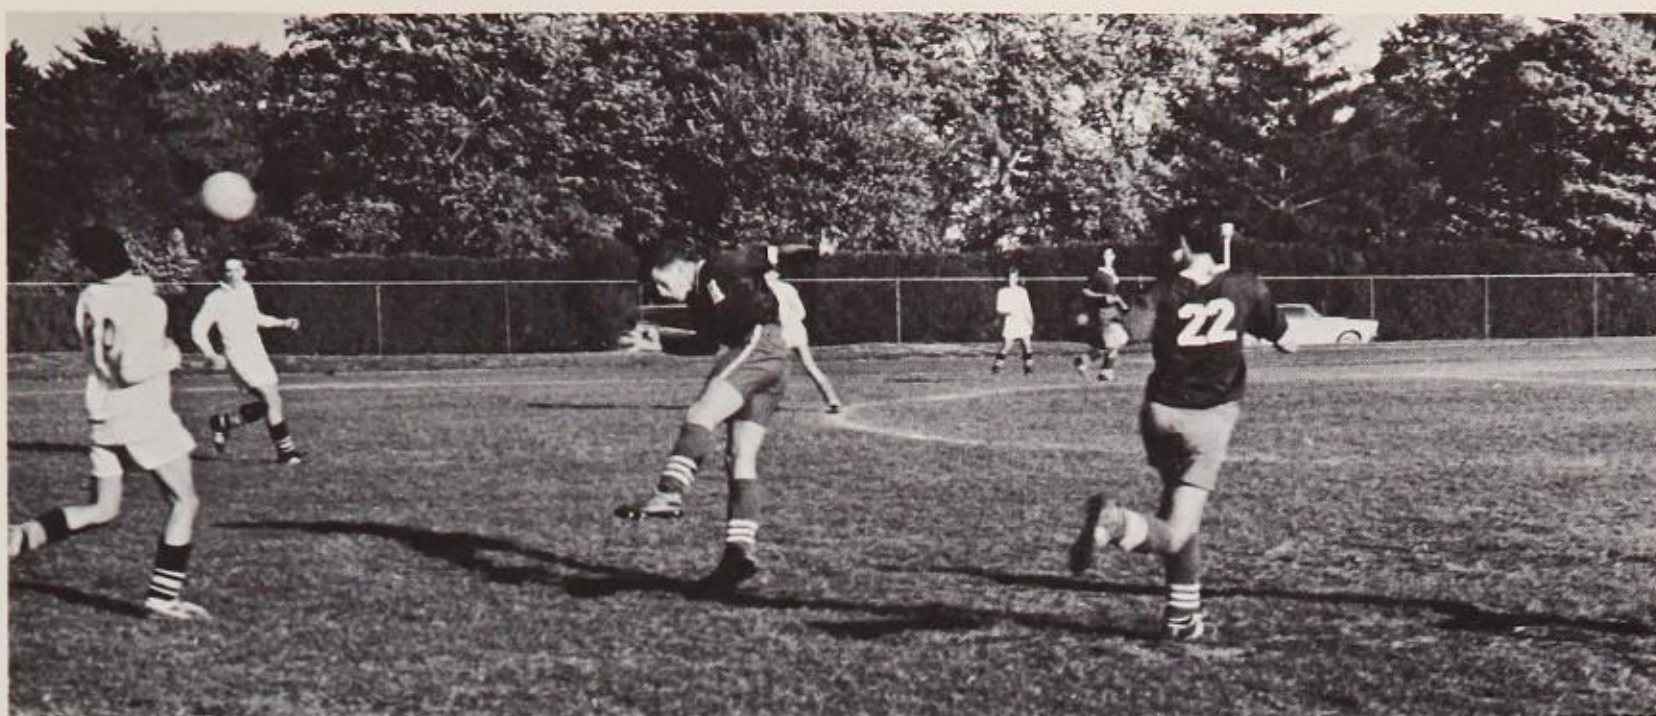

Coach Hasley's crew loses some good senior talent, but will bank their hopes for a respectable 1966 season on such stalwarts as Jean-Pierre Denis, John Santipolo, and Pete Center.

Front row, left to right: B. Rosner, S. Magid, A. Harrison, D. Chizever, L. Glazer. Second row: D. Gottlieb, L. Springer, D. Frankfort, E. Rosenberg, R. Feder, R. Adams, G. Pupa, J. Bass, and R. Abramowitz.

Once again, the Hewlett High basketball team, under the guidance of Coach Bill Munch, established itself as one of the powers in Nassau County. The Bluejackets, rated number one in Nassau County before the season began, started strongly by ripping off seven straight victories. However, mid-season lapses against Lawrence, Uniondale, and Elmont relegated the Munchmen to a second place finish in Division II behind Uniondale. The highlight of the season came in the final game when Hewlett avenged their earlier defeat by impressively beating Uniondale 48-37. The team carried this momentum into the County Playoffs and handily eliminated Oceanside and East Meadow before bowing to a taller Lynbrook team in the quarterfinals.

The Bluejackets were led by Captains Andy Harrison and Sandy Magid. Harrison, a member of the All-South Shore team, was Hewlett's leading scorer and rebounder and shot an amazing 48% from the floor. All-League guard Lou Glazer was the team's second high scorer and his 34 points against Lawrence was high for the season. Junior Danny Chizever performed admirably at both guard and forward and his late-season blossoming gives an optimistic outlook for next year's team. Rounding out the starting five was Dave Frankfort — a defensive specialist who consistently held the opposition's leading scorers far below their averages. Soph Steve Rosner and Junior Shorty Rosenberg provided the added depth which made for a successful season.

JUNIOR VARSITY BASKETBALL TEAM

Front row, left to right: H. Deutch, J. Levy, K. Glass, S. Zimmerman, W. Weinberger, P. Kelly. Back row: A. Zweibel, P. Ruth, D. Carter, D. Dilg, J. Asher, A. Schiffman, M. Dickoff.

Swimming Team

Top row (left to right): Bob Sandhaus, Mike Gross, Mark Schaeffer, Mike Hopkins, Bobby Barrows. Second row: Mr. Ed Robinson (assistant coach), Mr. Lou Brown (coach), John Hirschleifer, Jerry Goldberg, Doug Soifer, Jody Weiner, Rich Brenner (captain), Donny Abrams, Bruce Levin. Third row: Larry Elish, Louis Tannenbaum (managers), Steve Camhi, Mike Garz, Larry Jones, Steve Cahan, Pete Feinstein, Scotty Davis. Fourth row: Marty Perlmuter, Dave Ziskind, Jeff Wien, Elwin Schwartz, Kenny Rothaus, Teddy Cohen, Gary Framer, Artie Mines, Sandy Rubenstein.

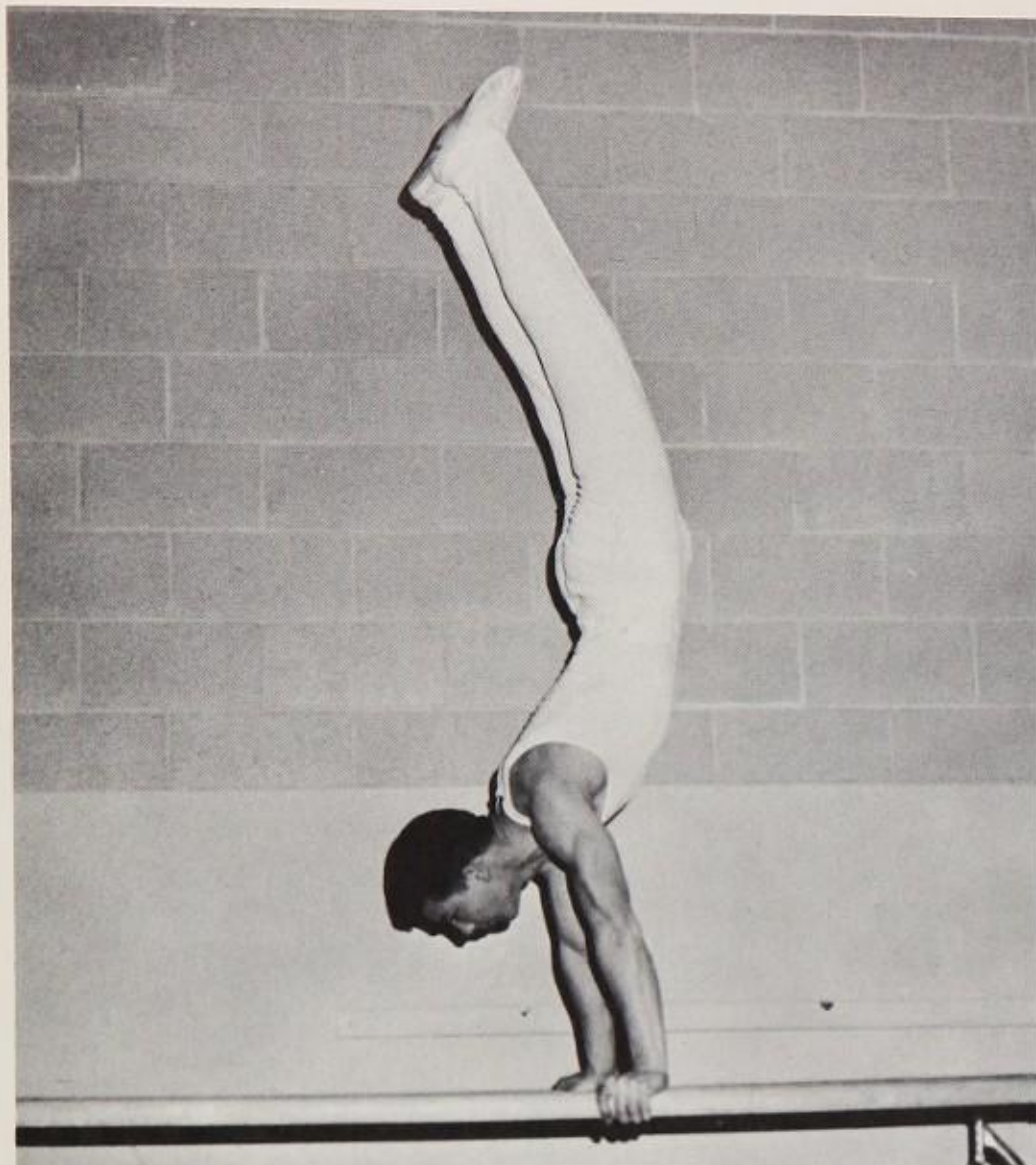

In the 1965-1966 season Hewlett's swimming team, ably coached by Louis Brown, proved that their second season in the league was not a case of "Sophomore Jinx". This previously unheralded team vastly improved their freshman record by winning four meets, losing eight, and coming close to victories in several others. For the first time we had boys to be reckoned with in county matchups, such as Sandy Rubenstein and Jody Weiner, both divers, and Donny Abrams, breaststroker. Other top winners were Steve Cahan (long distance freestyle), Bruce Levin (freestyle sprints), Mike Hopkins (butterfly), and John Hirschleifer (backstroke).

Hewlett's young team should improve even more due to the lack of key swimmers graduating this year. Watch for the aquamen next year; several other teams may have to.

SEASON RECORD

WINNER	LOSER
Hewlett	East Meadow
Hewlett	Syosset
Uniondale	Hewlett
Long Beach	Hewlett

Brentwood	Hewlett
Great Neck South	Hewlett
Hewlett	Wantagh
Plainview	Hewlett
Hewlett	Westbury

Gymnastics Team

Steve Zuchtman performs on the parallel bars.

In the first year of scheduled interscholastic competition, the Hewlett gymnastic team did quite well. Captained by Senior Henry Sisun, the team scored a respectable 2 and 5 record. Under the able tutelage of Coach Peter Demakis, Sophomore Bob Whitney compiled 83½ points, highest on the team. Whitney went to the South Shore Championships and tied for fourth in floor exercise and placed fourth in tumbling, thereby qualifying to go to the Nassua County Championships. There he tied for fourth in tumbling. The future looks bright for the team in the next two years with most of the boys returning.

Captain Henry Sisun executes a difficult stunt on the rings.

Hewlett, for the first time, organized an Indoor Track Team. However, due to the small turnout, the boys team point total was limited in their meets.

Indoor Track Team

Bottom Row: A. Zuckerman, R. Cooperwasser, M. Russo, S. Steiner. Top Row: D. Lynch, R. Durham, J. Osborne, J. Lovell, Coach Garod.

Berner	Won

The Hewlett Bowling Team, embroiled in a real tight division race all through the season, just missed clinching first place from the hands of a strong Freeport squad. The boys, after finishing second during the regular season, competed in the county tournament and well displayed Hewlett's prowess in this sport. The pinmen were led by captain Mike Durham and anchor man Ray Chell. With the aid of their fine coach, Mr. Ferrara, the Hewlett Keglers expect to be a strong contender again next year.

Rifle Team

Top row (left to right): Eddie Geisler, Harry Richter, Coach Bill Palmer, Tommy Kinzler, Captain Harvey Borden. Bottom row: Phil Rizzo, Keith Monas.

The varsity rifle team, coached by Bill Palmer, had a respectable but disappointing 6-6 season, despite consistently excellent scores by Captain Harvey Borden and junior Harry Richter. Harvey and Harry went on to the Inter-County Riflery Championship and finished fourth and sixth respectively.

Next year the marksmen will have several returning lettermen. These boys include John Santapolo, Harry Richter, Billy Mersey, Al Bianch, and Phil Rizzo.

Spring Sports

Track

Bottom Row, left to right: L. Joe, R. Cooperwasser, Steiner, H. Deutsch, C. Schilling, E. Rosenberg, B. Rosner, H. Borden, G. Brandt, D. Frankfort, B. Freilich, F. Trolpeppi, M. Berkowitz. Second Row: J. Oxford, B. Geller, M. Russo, R. Smollen, F. Caridi, J. Geberer, R. Fuchs, W. Weinberger, S. Sillman, F. Rosen, R. Kirshbaum, P. Wieseneck, S. Durham, P. Finlay, P. Kelly. Top Row: Coach D. Raskin, F. Zydor, B. Schearer, R. Angel, A. Kaplan, L. Muren, B. Glaser, D. Dilg, D. Carter, A. Cohen, S. Magid, M. Dyckoff, P. Simon, H. Brower, T. Treiber, J. Lovell, L. Glazer, Coach J. Hart.

Coach Hart's cindermen will field another standout squad this year. Paced by the outstanding distance duo of Frank Zydor in the 2 mile and Gary Schilling in the mile run, Hewlett is complemented by good speed in the middle distance events. Dave Frankfort is in the 440 and speedster Jim Lovell usually sweeps both the 100 and 200. Harvey Borden is rounding into top form in the half mile. Paul Caridi dominates the low and high hurdles. The field events also are sprinkled with top performers. Louis Glazer (high jump and triple jump), Howie Brower (pole vault), and Louis Muren (broad jump) should all turn in many first place points.

The boys have already swept their first several meets — an indication of the type of season Hewlett will have.

Jim Lovell breaks the tape.

Look! See Dave jump! He jumps well.

Up and over.

Baseball

First Row, left to right: R. Poser, C. Goldsand, R. Berk, K. O'Brien, J. Zullo, J. Randazzo, J. Trepel. Second Row: Coach B. Dugan, M. Perotta, D. Adams, P. Flaherty, L. DeMott, B. Whitney. Top Row: A. Zuckerman, Mgr., J. Hochman, R. Adams.

This year's Hewlett baseball team, under the guidance of Coach Barney Dugan, features a balanced hitting attack, experience, and an excellent pitching staff. With the return of eight lettermen and a fine core of underclassmen, the Bluejackets look like a strong contender in Division II.

The team opened up the season against Lawrence and walked away with a 4-2 win. Held hitless until the third inning when Ron Berk broke the ice and singled to center, Hewlett then opened up with three consecutive hits by Soph Bob Whitney, Joe Randazzo, and John Zullo which produced the four runs. These were enough as Ken O'Brien held Lawrence to two hits while striking out eighteen.

The second game was all Richie Garvin. Not only did he pitch a one-hitter but also collected two hits and drove in three of the four runs. Lou DeMott, a Soph, also delivered two hits. Hewlett 4, Lawrence 1.

In the finale against Lawrence, Hewlett also came out on top, 1-0. Ken O'Brien won his second game of the season pitching a two-hit shutout.

With this auspicious start, it looks like Hewlett may have their first baseball team in ten years to make the playoffs.

Joe Trepel slams a four-bagger.

Joe Randazzo slides safely into third . . .

form.

Golf

The 1966 Linksmen make up in talent what they lack in experience. Due to the loss of several key seniors, Coach McSweeney presents a squad of only two lettermen this year. The strokers, though, have gotten off to a surprisingly excellent start, and bolstered by the fine play of Captain Hank Bregstein, Jody Weiner, Jimmy Ross, Dan Groverman, Jeff Krull, Phil Ruth, and Andy Skyler, the boys should again dominate the South Shore.

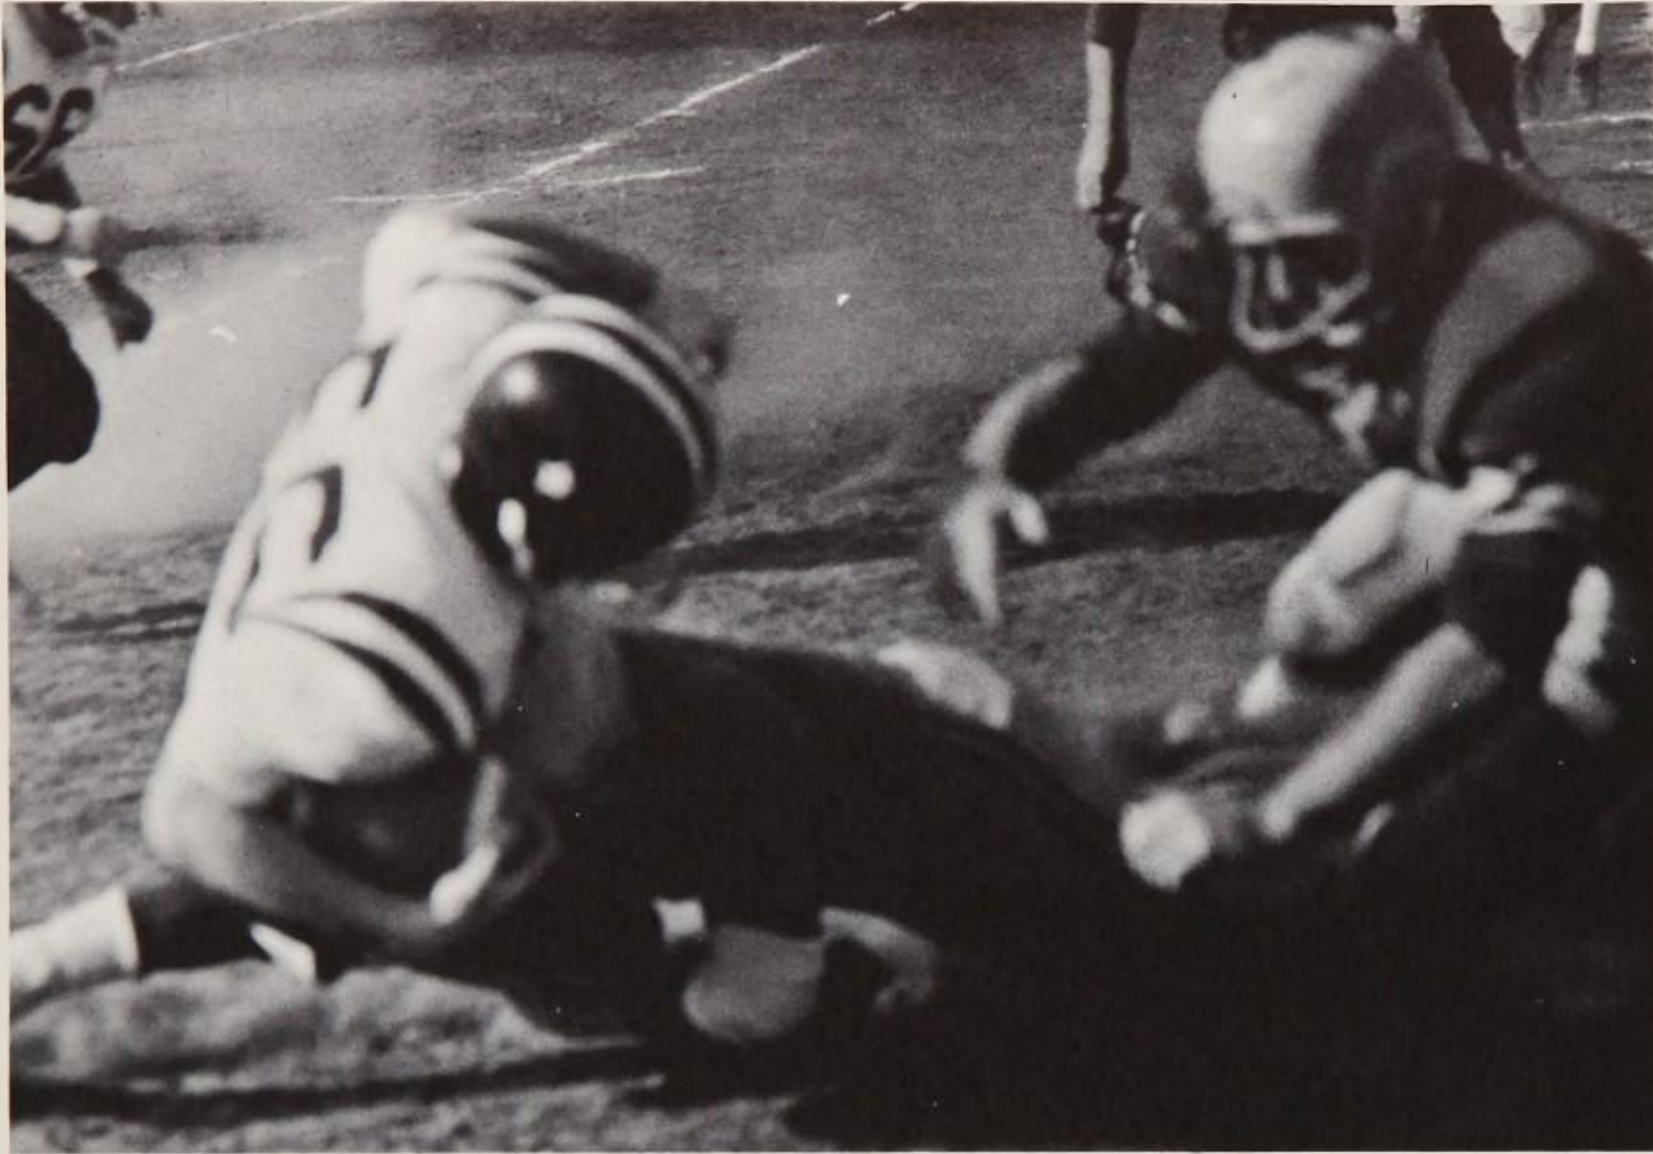

Captain Henry Bregstein tees off.

Hockey

Four Hewlett seniors run through a "skill-drill"

This fall our Honor Hockey Team had a very good season. Their record included two wins, and third place in the Malverne Sportsday, where eight teams competed. With this impressive record, even the coach, Miss Burton, said, "We had a good season, that's for sure!"

The girls participating on this year's team were: S. Coon, N. Grossman, I. Sarmiento, J. Shedlin, L. Schatz, C. Saslowsky, F. Schenker, A. Prerau, L. Adams, B. Sands, S. Sedransk, K. Friedman, B. Herman, L. Kirschner (missing) P. Smith, J. Stanton, A. Brightson, E. Klar, V. Gudrum.

Archery

Judging from the records, it is obvious that Hewlett's female archers preferred seeing bulls' eyes shot by arrows to seeing themselves shot by photographers. This modest team's sponsor, Mrs. Saunders, agrees that this year there was an "enthusiastic group", led by S. Michaels, Linda Haber, and J. Gaines.

Swimming Team

Karen Nopper strives for perfection in a dive.

It is often difficult to gain support for a new team. We have a very fine exception in the girls' Swim Team. This year Hewlett did well, winning their first meet, and placing second or third in every other. In the words of the coach, Miss Scheid, "The team this year was really good. If we took third place last year, we were lucky!"

The members are L. Saslowsky, N. Weisenfeld, K. Brous, E. Brahen, B. Goodman, M. Dalton, D. Saffir, (bottom row) S. Hass, M. Kagan, S. Katz, R. Levine, N. Grossman, C. Sugarman, R. Klein, A. Prerau, (missing) L. Fein, M. Hazan, K. Nopper, C. Saslowsky, J. Zabin.

Synchronized Swim Club

This year the aquatics club is looking forward to new members and evening performances of "Alice in Waterland", under the direction of Miss Scheid.

The girls are N. Grossman, F. Schenker, J. Stanton, K. Kimless, I. Sarmiento, E. Rothenberg, (missing) K. Nopper, C. Saslowsky, S. Stern, J. Spiegel, J. and R. Weingarten, J. Laskey.

Varsity Cheerleading

Hewlett's Varsity Cheerleaders continued to display the spirit of the "Blue and White." With Tacy Feinman as captain and Andrea Green as co-captain, the squad succeeded in drawing a responsive and warm support from the Blue Jackets' loyal fans.

The girls are A. Saffan, P. Seidman, W. Lerner, J. Levy, J. Rosenberg, C. Fine, T. Feinman, A. Green, B. Schnee, G. Gordon, S. Brous, and M. Schoeder.

Tacy Feinman adds the finishing touch to a cheer.

Neither rain, nor clouds, nor sleet, nor snow, nor almost-empty stands can keep the Hewlett Cheerleaders from their appointed duty.

Junior Varsity Cheerleading

Even teachers have difficult decisions to make and to support to the end.

Once again the enthusiasm and pep of the Junior Varsity Cheerleaders spurred the fans, and stood as proof of the Hewlett spirit.

The girls on this year's squad are A. Pearl, S. Coon, L. Mayer (co-captain), L. Wishbow (captain), P. Goodrich, K. Sheffries, S. Schultz, L. Schatz, S. Goodgold, L. Adams.

Twirlers

This year's twirling squad, under the leadership of Mrs. Newman, gave wonderful performances at the football games during half-time.

The girls are L. Krummel, L. Green, C. Pandolfo, A. Boden, B. Sands, S. Schneider, N. Bohner, G. Sponable (captain).

Favorite Activities in Gym Class

Volleyball

The Girls' Honor Volleyball Team had another strong season. And as their coach, Miss Burton, said, "We tried!". The girls are, standing from left to right: S. Isaacson (manager), A. Prerau, W. Lerner, I. Kain, M. Singer, J. Stanton, L. Schatz, P. Moleno, L. Wetreich (manager).

The girls are, from left to right: L. Haber, J. Friedman, G. Veygel, L. Adams, J. Scharf, L. Saslowsky, N. Grossman (front).

Basketball

Under the leadership of Captains Peggy Moleno and Nancy Grossman, and the coaching of Miss Burton, the Girls' Basketball Team had a very good season. Their victories over Long Beach, Island Trees, and other schools brought them a third place in two Sportsdays. The highlight of the season came at a Sportsday held at Hewlett where, aided by the high scoring of Nancy Grossman, we outscored and outfought our traditional rival — LAWRENCE!

Apparatus Club

Every winter a group of well-coordinated girls join the Apparatus Club to perfect difficult routines on the horse, buck, Swedish box, and rings. Liz Adams performs a hand walk on the parallel bars.

Badminton

Under the able leadership of Mrs. Saunders, the girls on the badminton squad practice and improve the skills vital for good players. Here manager Lynn Westreich demonstrates the finer points of a serve.

Softball

Softball is always a popular sport with the Hewlett High girls. Judging by the ability and enthusiasm displayed at all practices, the team should have little difficulty in defeating rivals Long Beach, Lynbrook, East Rockaway, Oceanside, and Lawrence.

Who's on first?

Irma Sarmiento imitates Yogi Berra.

Tennis

In the spring there is always a big turnout for the girl's tennis team. These are the girls you will see out on the courts practicing for the season ahead. *The girls are standing, left to right: D. Carlton, S. Friedburg, R. Moskowitz, K. Frank, T. Feinman, N. Meiselas, S. Seplowe, W. Remenyk, B. Sands, B. Singer, A. Green, N. Grossman. Kneeling: L. Lazurus, W. Lerner, J. Scharf, L. Taub, B. Rubin.*

Gold Key Winners

This year's gold key winners are, from left to right: N. Grossman, A. Prerau, P. Smith, P. Moleno (missing).

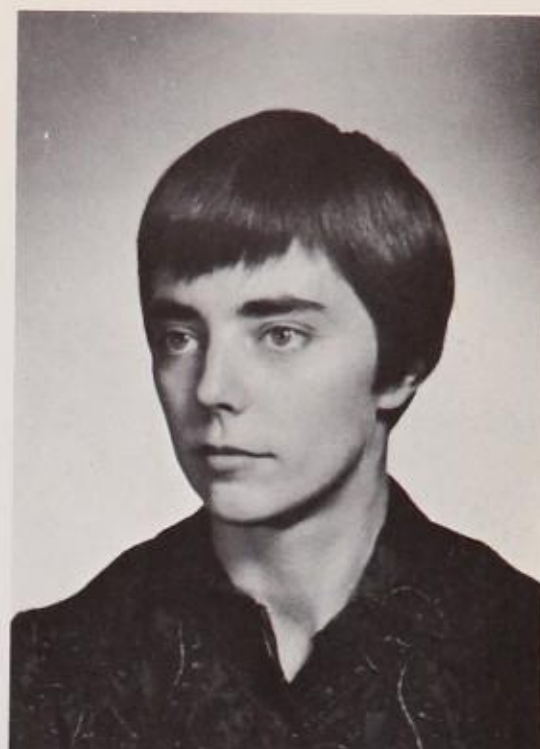

The gold key is the highest symbol of excellence in girls' physical education. The winner must obtain points throughout her years of high school in after-school sports and teams, and in leadership in the physical education class. In order to acquire enough points she must participate in a great variety of activities, obtaining proficiency in many sports.

Nancy Burton

Ethel Saunders

Barbara Scheid

Mrs. Saunders relaxes during a free period in the teachers' lounge.

Miss O'Grady conducts a cheerleading practice after school.

The Patches staff has attempted to reflect the past three years by reminding you of the events in which you participated, the students and teachers with whom you have worked, and the decisions that you have made. We are also cognizant of the decision of several members of our faculty to retire, to leave the profession to which they have dedicated their lives. These teachers who are retiring are leaving a vacuum that can only be filled by new teachers, just as the graduating seniors are leaving a vacuum, only to be filled by a new senior class. The cycle continues. The decisions are pondered, made, and carried out. We, of Patches, hope that through this yearbook, these decisions have been brought to light.
